

REYNOLDS

150
YEARS

Richard Joshua Reynolds started out in
North Carolina with a small factory and a dream.

For generations, more than 100,000 employees
have kept R.J.'s dream alive, with Winston-Salem
at the heart of our story.

To everyone who has made our journey possible:
thank you.

**Proud to call
Winston-Salem
home for 150 years.**
