

WHEN HOME ISN'T SAFE, A SAFE PLACE CAN CHANGE SOMEONE'S WORLD

A new shelter, a stronger community,
and *One Step Closer* for those in need.

For more than 115 years, Family Services
has stood beside individuals and families
in Forsyth County. Now, our community
needs us more than ever.

Last year, calls to our 24/7 domestic
violence and sexual assault crisis line
surged by 90% – a staggering rise that
highlights the urgent need for more
resources and safe spaces for survivors.

That's why we're building an essential new
Domestic Violence Shelter and launching
the One Step Closer campaign. But we
can't do it alone. We need your help.
