Hi Allison.

I've received the three Requests for Reconsideration you submitted last week.

Regarding My Fault by Mercedes Ron, that book was removed from the YA collection due to water damage to the book.

There is no need to form a committee for that title, as it will not be repurchased.

We will need to form committees for Heartless by Elsie Silver and Sync by Ellen Hopkins.

Would you like to come in sometime this week to draw the names for the committees? If so, please let me know which day works best for you.

See you soon.

Julie

Hi Julie,

Sounds good! I can come by today after I get off work. I'll be off of work around 3pm and can get there by around 3:30. Does that work?
