Mystery solved: Long-awaited 'Elementary' returns to prime time

By Kyla Brewer TV Media

etectives are a dime a dozen in prime time, but one crime-solving sleuth is worth his weight in gold. Sir Arthur Conan Doyle's iconic Sherlock Holmes has been reimagined for a new generation of fans and he's returning to the airwaves — finally.

Jonny Lee Miller ("Trainspotting," 1996) reprises his role as a modern-day Sherlock in the sixth-season premiere of "Elementary," airing Monday, April 30, on CBS. It's been a longer-thanusual wait for fans of the series, which co-stars Lucy Liu ("Ally McBeal") as Sherlock's partner, Dr. Joan Watson. "Elementary" was noticeably absent from the CBS fall schedule, and it wasn't until January, when the season premiere was officially announced, that fans could breathe a collective sigh of relief.

Few details have been announced for the new season, but at the summer CBS press tour, creator and executive producer Robert Doherty hinted that the upcoming season may feature the return of someone from Sherlock's past.

"With respect to Sherlock, we're working hard to see an old flame come back to the show," Doherty said.

Industry pundits have speculated that that flame could be Moriarty, played by Natalie Dormer ("Game of Thrones"), but so far the show's cast and crew have remained mum on the subject. As for now, fans can be assured that both Miller and Liu will return to their roles as Sherlock and his sidekick, Watson, who was hired as Holmes' sober companion after the brilliant Scotland Yard consultant's stint in rehab.

They may be back, but it'll be anything but smooth sailing for prime time's dynamic duo. At the end of last season, Watson put

Jon Michael Hill in "Elementary"

everything on the line and made a proverbial deal with the devil when she approached nefarious thug Julio "Halcon" Zelaya (Jon Huertas, "This Is Us") to help her bring a killer to justice. While she seems to believe her debt to the gangster has been repaid, it may not be that simple.

"Halcon may not see it the way Joan sees it," Doherty teased in a June interview with Entertainment Weekly. "He may think she owes him a favor, not the other way around. Gang leaders are funny that way."

While Halcon may cause some trouble for Watson, he may not be the only character to shake things up this season. In July, it was announced that Desmond Harrington ("Dexter") would join the cast as Michael, a fellow recovering addict who offers support to Sherlock in his time of need. Fans may remember that the sleuth has been experiencing memory lapses and hallucinations involving a mysterious woman, and his health problems have put a strain on his relationship with Watson because he doesn't want to burden her. As a result. he's forced to look elsewhere for support. Michael claims to want to help Sherlock because he was inspired to get sober thanks to something Sherlock said to him when they met long ago. However, rumors abound that Michael may have ulterior motives for approaching the police consultant.

The season 6 cast also includes series regular Aidan Quinn ("Legends of the Fall," 1994) as Capt. Thomas Gregson of the NYPD, who often pulls in Holmes and Watson as consultants to crack tough cases. One of Gregson's colleagues at the 11th Precinct is Det. Marcus Bell (Jon Michael Hill, "Detroit 1-8-7"), who's frequently paired with Holmes and learns a great deal from him.

Unfortunately, Holmes may have to take some time off from consulting to focus on his health this season. At the end of season 5, he underwent a brain scan to investigate the cause of his neurological issues, and the test revealed that he may have a brain tumor. His health troubles are just the latest in a long list of challenges faced by the famed detective. Over the course of the first five seasons of the show, he's tackled some formidable foes, not the least of which are his addictions.

Miller's portrayal of the iconic character has earned him high praise from critics, as well as a Satellite Award nomination in 2012. Liu has also been honored with a number of accolades for her work on the series, including three People's Choice Award nominations and a 2013 Teen Choice Award win. "Elementary" was nominated for a 2012 People's Choice Award in the Favorite New TV Drama category, and has since snagged two Emmy nods, multiple Prism Award nom-

inations and much more. The show's success is particularly sweet because it was the subject of scrutiny from fans of the BBC's "Sherlock," which was also a contemporary take on the classic character, played in that series by Benedict Cumberbatch ("Doctor Strange" 2016)

For the week of April 23 - 27

The Bold and the Beautiful

Steffy decides to fight for her marriage, but Ridge wonders why she signed the annulment papers in the first place if she doesn't want the relationship to end. Ridge tries to convince Liam to get back with Steffy, while Wyatt remains unconvinced that Liam's decisions are the right ones. Hope suggests that Liam stay in the cabin on her property, but after Liam decides whether to stay with Hope or go with Steffy to her ultrasound appointment, Dr. Phillips gives him and Steffy some startling news that leads to the two of them comforting each other. Emma, the new intern at Forrester Creations, makes an impression on Ridge and Eric. After Wyatt calls off his engagement to Katie, Bill reveals his plans for Spencer Publications, but uses the information provided by Wyatt to his own advantage.

Days of Our Lives

Vivian and Kate lash out at each other while trapped in the secret room, while Marlena finds herself stuck between them. Miguel finally begins moving against Lucas, and ends up abducting Chloe. Chad flies into a rage after making a shocking discovery, forcing Hope and Rafe to arrest him. Later, Abigail shares the lowdown on Chad with Jennifer. Now in prison, Gabi encounters someone who puts her life in danger. While on the run, Gabby bumps into Steve, but she refuses to leave Stefan's side despite his urging. Eve

Ryan Paevey stars in "General Hospital"

Bella contest was rigged by Brady, tossing her into a rage, and Eric and Jennifer have a romantic evening together. Abigail slips through Steve's fingers, frustrating him, and Brady is rushed to the hospital by Lucas. Wyatt and Ciara manage to put their past behind them, and later, Ciara and Tripp plot to trap an unsuspecting Claire. Victor begins digging into Brady's past after he shows just how committed he is to winning back Eve. Eli turns to Julie for help with Lani's condition.

General Hospital

Anna makes a startling confession, and later, pays a visit to Alexis before she comes clean. Jordan finds herself backed into a corner, and Diane bears less-than-good news. While Nelle turns the situation to her own advantage, Ava has a meeting with Scott. Ava comes to realize that she may be her own worst enemy. Sam helps out an old friend and questions Curtis. Lulu runs into Moxie, Julian bumps into Lucas and Franco finds himself struggling between two evils. Drew finds himself filled with skepticism.

The Young and the Restless

Arturo and Nikki resume their affair, but when he seems to be getting closer to Abby, the relationship falters until Arturo insists that the two of them are just friends. Jack installs Billy as the new COO, but makes a move to protect his own position at the company while also struggling to make things right for his family. Hilary reveals that she is pregnant with Devon's child, but the revelation doesn't warm his attitude towards her, and Hilary is hurt by the indifference that he shows. After she announces the news on her live show, Devon becomes even more upset with her, and the tension even extends to his family and nearly leads to blows between Hilary and Lily. Nick considers starting over with a clean slate in the wake of his father Victor's health problems. Kyle puts pressure on Abby to share family secrets after Dina lets slip that they exist, but she keeps all of the juicy details to herself.

Late Laughs

Conan

In Indiana, police found a man at a White Castle with a container of dangerous chemicals. The man at a White Castle with the dangerous chemicals is known as "the cook."

The Tonight Show With Jimmy Fallon

This weekend, the movie "Ready Player One" topped the box office. It's about a world where people escape reality by playing a computer game. When Americans were asked if they'd ever be sucked into a digital world like that, they said, "One sec ... sorry, what?"

The Late Late Show With James Corden

Apple's new futuristic headquarters, Apple Park in Cupertino, Calif., is having some problems. The building is filled with so much clear glass that employees have reportedly been walking into glass walls. I guess Apple shouldn't have installed windows.

Jimmy Kimmel Live

[Mark] Zuckerberg will be in the hot seat. Usually, when he's in the hot seat, he's getting a perm.

Late Night With Seth Meyers

According to a new interview, The Rock and Vin Diesel refused to act in any scenes together for the latest Fast and the Furious movie. In fact, based on what I've seen, Diesel refuses to act in any scenes at all.

Sudoku

Fill in the grid so that every row, every column, and every 3x3 box contains the digits 1 through 9. Solution on page 15.
