God is calling all men in this season of divine awakening to The Men of the Crest.

The Meaning

Men of the Crest - The Crest means the highest point. The highest point of responsibility, of vision and the highest point of legacy.

The Cause

Many men have been muted but this is the hour when men must speak again, we have to speak life, truth and most importantly we have to speak hope.

The Destination

Men of The Crest are those that refuse to stay beneath, it's not arrogance it's assignment. God didn't design us to be buried in the valley of defeat but to rise to the Crest of destiny.

The Call

**We're calling all men to join us, come just as you are. Come to build and to be built up. Come to laugh and to cry. Come to speak truth and to receive truth spoken over you. Come let's work together, grab a hold of the net, let's capture the hearts of men and pull them up to that high point -
The Men of the Crest!**

Join us for the Men of the Crest conference at 9 a.m. February 21st at the Killeen Civic & Conference Center
