

Dr. Fey,

I hope this email finds you. I appreciate the opportunity to serve as principal at Roy J. Smith for the 24-25 school year. I am writing this correspondence to inform you that I hereby resign as principal at the end of my contract term for the 24-25 school year. I need time to deal with the unfortunate tragedy that occurred on March 10th, in which a student passed away at Roy J. Smith. I feel that I am not in the mental space to continue in this role.

Sincerely,

A handwritten signature in cursive script that reads "Fred Lilly".
