Showtime's 'The Chi' shines spotlight on Chicago's South Side

By Kyla Brewer
TV Media

Chicago may be known for deep-dish pizza, the Sears Tower and the Bears, but the Windy City is also notorious for unusually high crime rates. Beyond the statistics and the headlines are stories of vibrant people struggling for a better life, and a new series shines a light on life on the city's South Side.

A group of people find themselves bound together when tragedy strikes their neighborhood in "The Chi," airing Sunday, Jan. 28, on Showtime. The gritty, 10-episode drama was created by Emmy winner Lena Waithe ("Master of None"), who based the series on her experiences growing up in Chicago. The program introduces viewers to a diverse community that includes youngsters, parents, dreamers, a drifter and a benevolent cop seeking justice.

"I hope when they watch the show, they connect with these characters. The truth is we're all a lot more alike than we think," Waithe said in a trailer for the show.

Jason Mitchell ("Mudbound," 2017) leads the ensemble cast as Brandon, an aspiring chef who dreams of one day opening a restaurant with his girlfriend, Jerrika (Tiffany Boone, "The Following"). Young actor Alex Hibbert ("Moonlight," 2016) plays Brandon's brother, Kevin, a pre-teen whose life is disrupted when he witnesses something shocking. Ntare Guma Mbaho Mwine ("Heroes") portrays Ronnie, a drifter. Carefree teen Emmett (Jacob Latimore, "The Maze Runner," 2014) suddenly finds himself with new responsibilities, which he handles with advice from his mother, Jada (Yolanda Ross, "Stranger

Inside," 2001). Meanwhile, Det. Cruz (Armando Riesco, "Garden State," 2004) keeps a watchful eye as he strives for justice, not incarceration.

"The Chi" is executive produced by Waithe, Elwood Reid ("Hawaii Five-0"), Aaron Kaplan ("Life in Pieces"), Rick Famuyiwa ("Dope," 2015) and recording artist Common, an outspoken Chicago native. The Grammy-winning rapper is undeniably excited to bring the story of his city to prime time.

"This is the story I want to tell about our city," Common said in a promo for the show. "We are a colorful, incredible, beautiful people that are dealing with some tough situations."

While police procedurals are familiar prime-time fare, fewer series explore how people in rough neighborhoods cope with the day-to-day challenges of life in the city. Showtime's series takes a multigenerational approach with an ensemble cast that ranges from child actors to seasoned veterans of film and television.

Mitchell is a rising star in Hollywood, thanks to his recent turn in "Mudbound," which debuted at the Sundance Film Festival last January and garnered significant Oscar buzz for the

actor's portrayal of a World War II veteran. He began his career in such films as "Contraband" (2012) and "Broken City" (2013) before gaining attention from critics for his role as rapper Eazy-E in the 2015 biopic "Straight Outta Compton."

Playwright, actor, photographer and documentarian Mwine was nominated for an NAACP Image Award for his role in a national touring production of "Six Degrees of Separation" in 1992. He made his film debut in "Blood Diamond" (2006), and his TV credits include "Heroes," "CSI: Crime Scene Investigation," "The Riches" and "Treme."

Mwine's "The Chi" co-star Ross also had a role in HBO's "Treme." Her work in the cable's "Stranger Inside" earned her a nomination for an Independent Spirit Award for Best Debut Performance. She's appeared in other prime-time hits, such as "Third Watch," "Law & Order" and "Law & Order: Criminal Intent."

Like Ross, Riesco is a "Law & Order" alum, though he's more well known for his work in the independent films "Pieces of April" (2003) and "Garden State" (2004), along with the Hollywood action flick "National Treasure" (2004), the acclaimed drama "25th Hour" (2002) and the romantic comedy "Fever Pitch" (2005).

Other cast members have amassed an impressive list of big-screen and small-screen credits. A graduate of the California Institute of the Arts, Boone is best known as Mandy

Lang in Fox's now defunct drama "The Following." Hibbert appeared in the Best Picture Oscar-winning "Moonlight." Latimore started his career as a rapper before turning his attention to acting in such films as "Ride Along" (2014) and "Collateral Beauty" (2016).

Late Laughs

Conan

You can tell it's Christmas in Los Angeles because the audience is wearing their best Christmas shorts.

It's come out that George Clooney gave 14 of his best friends \$1 million each. You know who's pissed right now? George Clooney's 15th best friend.

The Tonight Show With Jimmy Fallon

A family in Florida took their Elf on the Shelf to the ER after their dog tore it apart, and doctors were able to save it. While the guy in the next room was like, "Don't worry — my broken leg will just fix itself! You take care of that elf!"

Another season of "The Bachelor" is coming up! I heard that there are four women named Lauren. Everyone had a good laugh — even the eight contestants named Ashley.

The Late Show With Stephen Colbert

Moore's campaign just got worse, because yesterday we found out that a pro-Trump group sent a 12-year-old girl to interview Roy Moore. This is the worst matchup for an interview since they sent that honey glazed ham to interview Chris Christie.

The Late Show With James Corden

I don't want to say Trump watches too much TV, but he just asked Congress for a \$10-million budget increase for the NCIS team.
