Adoption of Tax on Motor Vehicle Fuel Dealers

Question 20 words which plainly phrases the chief purpose of the measure.

Shall the City adopt an ordinance imposing a tax on motor vehicle fuel dealers to raise revenue for street repairs?

Summary 175 words which concisely and impartially summarizes the measure and its major effect.

This measure is a referral to voters from the Gold Beach City Council. It proposes the adoption of an ordinance to impose a tax on motor vehicle fuel dealers. The proposed ordinance provides for the administration, enforcement, and collection of the tax.

If adopted, the tax would be imposed on dealers when they sell or distribute motor vehicle fuel within the City. Most commonly, the tax will be paid by gas stations for the sale of gasoline or diesel fuel. The proposed ordinance creates a tax rate of one cent per gallon throughout the year and an additional three cents per gallon from May 1 through October 31.

The net revenue collected would be used for the construction, reconstruction, improvement, repair, maintenance, and operation of streets and transportation infrastructure owned by the City. The revenue would help the City reduce its backlog of street repairs and help the City maintain its street system. If approved by the voters, the ordinance would take effect July 1, 2024.
