**Caption** 10 words which reasonably identifies the subject of the measure.

Renew Local Option Levy for Funding Port Orford Police Department

**Question** 20 words which plainly phrases the chief purpose of the measure.

Shall the City renew the police levy at \$1.80 per 1000 of assessed value for five years beginning fiscal 2024? This measure renews current local option taxes.

**Summary** 175 words which concisely and impartially summarizes the measure and its major effect.

The purpose of this local option tax measure is to continue funding the operations of the City of Port Orford Police Department at the reduced rate established in 2019. The current local option tax revenue measure expires June 30, 2024. If this local option tax measure is not renewed, then the City will be forced to eliminate in whole or in part, the Police Department because there are insufficient property tax revenues to pay for both general city operations and to fully fund the Police Department. The local option tax renewed by this measure will be for five years beginning fiscal year 2024-2025.

It is estimated that the local option taxes raised each year will be \$273,598 for FY 2024; \$283,173 for FY 2025; \$293,085 for FY 2026; \$303,342 for FY 2027; and \$313,959 for FY 2028 for a total of \$1,467,157. The estimated tax cost for this measure is an ESTIMATE ONLY based upon the best information available from the county assessor at the time of estimate.

**Explanatory Statement** 500 words that impartially explains the measure and its effect.

If the county is producing a voters' pamphlet an explanatory statement must be drafted and attached to this form for:
