Summary 175 words which concisely and impartially summarizes the measure and its major effect.

Rocky Point Fire & EMS faces service reductions without the additional funds. The Districts permanent tax rate, which has not been increased since the early 1970's is not enough to sustain services to the public at the current level.

The proposed tax increase of \$0.82 per \$1,000 will give the District a budget of \$105,410.00 for the FY2026/2027. The proposed levy if passed, will allow the District to continue current level of services, including Emergency Medical Response.

The estimated tax cost for this measure is an ESTIMATE ONLY based on the best information available from the county assessor at the time of estimate and may reflect the impact of early payment discounts, compression and the collection rate.
