

March 7, 2025

To our Groff Families,

As many of you may have heard, Groff is going to be closed for the remainder of the school year. During these past few days, we have been working with numerous people across the district to come up with a back up plan in case it was needed. We now know it's needed. While we don't have all of the details yet, we are working on it!

Here's what we know...

Educational materials will be available at Groff on Monday, 3-10, at 9:30-1030, 12:00-1:00 and 4:30-5:30 in the parent pick up area. These materials will be for the week following the same process that we currently have in place.

Where students will go to school: We have worked to determine where there is open space to house our students and staff. While there isn't room for our entire school to move to one location, there is room across the district for us. Here is where students will attend starting on Monday, 3/17 for the remainder of the year:

Kindergarten: Lakeview

1st grade: Garden Heights

2nd grade: Lakeview

3rd grade: Longview

4th and 5th grade: Vanguard, House 2

Lifeskills: Garden Heights

Who is my child's teacher? Teachers are moving with their classes so your student will have the same teacher. Our PE and music teachers will also continue working with our students.

How students will get to and from school: Groff will be utilized as our home base for transportation. Parent pick up and drop off will still be available at Groff. Walkers can still walk to Groff. Students who ride buses will also still be brought to Groff. Students will then take a bus to their new school. They will also be returned to Groff at the end of the day to go home as they normally would. Staff will be supervising both before and after school at Groff for transportation purposes. If parents would prefer to transport to the new school, they are welcome to do so. We are still working on more details.

Student supplies: Teachers will be moving your students supplies to their new classroom.

Open house: We are working to set up an open house at each school for our families so you can see where students will be.

Attendance: It is still our goal to connect with every family, every day this week and next week. Please make sure to respond to the messages your teacher sends out in Parent Square. This would be greatly appreciated!

Boys & Girls Club Transportation: If your student is registered for the Boys and Girls Club and you would like that option this week, the bus will be available at Groff to pick those students up at 3:30 for the remainder of the week. If your child is not yet registered and you would like to take part in this opportunity, please contact the Boys and

Girls Club. As a reminder, this bus takes students to the Boys and Girls Club and then families are responsible for picking them up. Students need to be at the bus area by 3:30 if they want a ride. It is important that students wait in the bus area only and do not roam the campus as crews are actively working.

Breakfast/Lunch: Free meals for Groff students will be available to pick up at Groff between 9:30 am and 10:30 am daily in the bus lane.

A message from Nurse Liz: If there is medication on campus that you need at home please contact our School Nurse at 509-793-7576

A message from our school counselor, Mrs. Vasquez: If your family needs assistance with food or school work/packets, please don't hesitate to reach out. We can coordinate items being delivered to your students. You can send me a direct message at jserrano@mlsd161.org, and we will coordinate a plan to ensure your needs are met.

We are here to support you, and I look forward to connecting with you.

NOVA: If your 3rd grade child attends NOVA on Monday, you are welcome to meet the bus at Groff at 10:45 am and pick your child up at 2:30 pm, or you may take your child directly to NOVA. If your 4th grade child attends NOVA on Wednesday, you are welcome to meet the bus at Groff at 9:30 am and pick your child up at 2:25 pm, or you may take your child directly to NOVA. If your 5th grade child attends NOVA on Friday, you are welcome to meet the bus at Groff at 9:35 am and pick your child up at 2:25 pm, or you may take your child directly to NOVA.

We will continue to provide updates as more information becomes available. We know that you have many more questions and we are doing our best to work through the details to keep all of our students safe, supported, and educated. While this is not what we ever

hoped to have happen, our staff is committed to doing the very best we can for every student and while we do not have all of the answers, we are continuing to move forward. Please be kind to the staff as they are also experiencing many of the same emotions as our families. Thank you for your support and understanding.

Sincerely,

Nikki Mackey
