

A STATEMENT OF APPRECIATION FROM THE SPOKANE COUNTY SUPERINTENDENTS

As superintendents of the public school districts in Spokane County, we have each sincerely appreciated the thoughtful guidance and generous time Dr. Bob Lutz (and others on the Spokane Regional Health District team) has provided us throughout the ongoing pandemic.

Decisions that have been made have not been easy or uncomplicated, for any of us nor for Dr. Lutz and other public health professionals. Yet, he has leaned in with us and collaborated as we have strived to make the best decisions possible for our students and district communities, and for the larger regional community we share.
