

On 03 May Moses Lake Detectives were alerted to a female who was being held against her will at an unknown hotel room. Through a thorough investigation detectives determined the female's location and that she was in physical danger. The Moses Lake Regional Tactical Response Team was activated, and mutual aid was requested from Kittitas County and Ellensburg PD as well as the Spokane SWAT team. Spokane SWAT with the assistance of MLRTRT and Kittitas SRT team with cooperation from members of the Grant and Adams County Sheriff's departments executed a successful tactical operation at the Econo Lodge 316 S. Pioneer Way Moses Lake. Three suspects are detained as part of the investigation and the female victim is safe. There were no injuries reported and minor damage to the hotel room. The investigation is ongoing and further information will be provided when available.
