STATEMENT OF PROBABLE CAUSE

The Complainant states that the following facts establish probable cause:

Your complainant is a licensed peace officer employed by the Olmsted County Sheriff's Department. In that capacity your Complainant has reviewed the police reports relating to WILLIAM ISAAC SHILLINGFORD (DOB 5/21/90), the above-named defendant, and the allegations contained therein. Based upon that information, your complainant believes the following to be true and correct.

On Sunday, May 8, 2022 at approximately 10:44 p.m., deputies were dispatched to a residence in rural Kalmar Township, Olmsted County, Minnesota. The complainant who called 911 reported a shooting at the residence. Specifically, the complainant advised that a white male pulled into the driveway in a pickup truck, the complainant's father went outside to investigate the situation, and the suspect white male shot the complainant's father.

Deputy Norland arrived at the residence and found a gray Toyota Tacoma (MN FRP141) parked in the driveway. The Tacoma was registered to WILLIAM ISAAC SHILLINGFORD (DOB 5/21/90). As Deputy Norland approached the front entryway on the south side of the residence, Deputy Norland noticed a heavy trail of suspected blood leading from the driveway to the front door of the residence. Other officers attempted lifesaving efforts on the adult male who was shot (hereinafter "Victim"). Victim appeared to have lost a significant quantity of blood from arterial bleeding. Deputy Norland observed what appeared to be a gunshot entrance and exit wound on Victim's right arm, along with a grazing gunshot wound on the right side of Victim's torso. The two wounds appeared as if they could have come from the same gunshot. Victim was unresponsive. Victim's two family members who were present, including the complainant, were appropriately upset and emotional. Eventually, Mayo Clinic Ambulance Service and Byron First Responders took over care of Victim. At 11:24 p.m., Victim was pronounced deceased.

While at the scene, Deputy Norland learned that Victim's residence was equipped with outdoor security camera(s). A member of Victim's family gave Deputy Norland permission to access a video recording of the incident on Victim's mobile device. The surveillance video showed the suspect's Tacoma circling the driveway once and then parking. At one point, the suspect is shown walking near the garage holding a handgun. Victim and the complainant can be seen walking from the front of the house toward the detached garage. The surveillance video showed the suspect "rack" the handgun, assume a shooting stance and raise the handgun, and aim it in the direction of Victim and the complainant. After a moment, the suspect fired multiple rounds at Victim and the complainant. From the video, it appeared that the suspect fired three rounds, one round from each of three different shooting positions - standing, crouching and prone - and then ran away. Only one suspect was seen on the surveillance video.

Deputy Norland took a brief statement from the complainant while at Victim's residence. The complainant reported that (s)he was on the couch when the complainant saw the Tacoma pull into the driveway. The complainant went outside to investigate and walked to the edge of the garage where the complainant saw the white male suspect hiding around the corner. The complainant went back inside and spoke to Victim. Victim and the complainant went back outside, Victim armed with his handgun. When Victim and the complainant went back outside, the white male suspect shot Victim. The complainant then picked up Victim's gun and shot two rounds at the suspect. Victim and the complainant returned to the residence where Victim went to the floor and the 911 call was placed.

At the scene, Sgt. Ryan of the Rochester Police Department located a .45 caliber Glock handgun on the floor next to Victim. The .45 caliber Glock was identified as the gun initially possessed by Victim and later used by the complainant to return fire toward the white male suspect. Outside, Sgt. Ryan and Sgt. Chambers located five spent shell casings -- three 9mm shell casings in the area where the suspect had been and two .45 caliber shell casings in the area from which the complainant had returned fire.

Numerous officers from the Olmsted County Sheriff's Department and assisting agencies came to the area to assist in the search for the suspect. While holding the north perimeter of the area, Deputy Streed was approached by two adult witnesses (hereinafter "Witnesses") in their vehicle. Witnesses advised that they were home when they saw the emergency vehicles responding to Victim's residence. Witnesses started to drive toward Victim's residence when they saw a white male wearing jeans, a t-shirt, one sock and no shoes tip-toeing across the field. The white male then laid down in the ditch. As one of the Witnesses told the other that they needed to call the police, the white male yelled, "Shut up you f***ing b****!" Witnesses observed as the white male got up and ran from the officers coming into the area.

5/10/2022

Sgt. Chambers checked the Tacoma and did not find a person. However, Sgt. Chambers located a wallet containing a card bearing the name "William Shillingford." When Witnesses informed officers that the white male suspect was running out of the ditch, officers checked the area and Sgt. Tesdahl of the Rochester Police Department observed the male running towards the driveway of a nearby house. Ofc. Pond assisted Sgt. Tesdahl and detained the white male at gunpoint. Sgt. Chambers ran through the field and observed SHILLINGFORD being taken into custody by Ofc. Pond and Sgt. Tesdahl. SHILLINGFORD had grass all over his hands. While being detained, SHILLINGFORD was extremely belligerent and continued to yell out random names.

Near the area where SHILLINGFORD was apprehended was a barn/event center. On the second level of the barn/event center, a window was shattered as if something was thrown out of the window. Deputy Hanson searched the barn/event center. Upon entry to the barn, a 9mm handgun and empty magazine were located next to the broken window.

PLEASE TAKE NOTICE: YOU MUST APPEAR FOR EVERY COURT HEARING REGARDING THIS CASE. FAILURE TO APPEAR FOR COURT IS A CRIMINAL OFFENSE AND MAY RESULT IN ADDITIONAL CRIMINAL CHARGES BEING IMPOSED AND PUNISHED AS PROVIDED IN MINNESOTA STATUTES SECTION 609.49.
