COMPLAINT

Warrant

The Complainant submits this complaint to the Court and states that there is probable cause to believe Defendant committed the following offense(s):

COUNT I

Charge: Racketeering-Enterprise-Employed/Assoc/Participate

Minnesota Statute: 609.903.1(1), with reference to: 609.904.1

Maximum Sentence: 20 YEARS AND/OR \$1,000,000.00

Offense Level: Felony

Offense Date (on or about): 03/06/2023

Control #(ICR#): 20230377

Charge Description: That on or about March 6, 2023, through February 22, 2024, in Hennepin County, Minnesota, CORY JAY ROSILLO was employed by or associated with an enterprise and intentionally conducted or participated in the affairs of the enterprise by participating in a pattern of criminal activity.

STATEMENT OF PROBABLE CAUSE

Complainant has investigated the facts and circumstances of this offense and believes the following establishes probable cause:

As described below, investigators developed substantial evidence that ARRON SCOTT KING SR. (DOB 2/21/1975); ARRON SCOTT KING JR. (DOB 2/5/1999); CORY JAY ROSILLO (DOB 4/12/1971); TYLER NICOLAUS PAANANEN-BERNECHE (DOB 4/4/1994); EMONDRE JAMES MORRISON (DOB 12/28/1996); SEAN CHARLES FIKES (DOB 10/2/1976); DALE ANTHONY MASSIE JR. (DOB 10/18/1974); and JAWAN EDWARD JACKSON (DOB 3/17/1991) committed the offense of racketeering between March 6, 2023, and February 22, 2024, through criminal acts (burglaries and thefts) committed in Hennepin County and elsewhere in Minnesota.

SUMMARY OF RACKETEERING CHARGE

The racketeering enterprise involved in this case (the “Enterprise”) is the association-in-fact of a group of persons led by KING SR. and including his seven co-defendants and others. Complainant, a special agent with Alcohol & Gambling Enforcement (AGE) in the Minnesota Department of Public Safety, investigated the Enterprise because its burglaries routinely target charitable gambling funds. The Enterprise used KING SR.’s residence on Arbor Street in Saint Paul as a hub and had as its purpose the coordination and commission of burglaries of businesses, primarily bars that reliably kept cash on site because of pull tab charitable gambling operations, but also sometimes golf courses with cash kept in safes. There is evidence that the Enterprise’s pattern of criminal activity goes back several years. The period charged as racketeering in this complaint included 44 felony second-degree and attempted second-degree burglaries and/or thefts occurring between March 6, 2023, and February 22, 2024, including 10 in Hennepin County.

Each charged member of the Enterprise is a principal with respect to conduct constituting at least three acts of felony second-degree burglary, attempted felony second-degree burglary, and/or theft included in the pattern of criminal activity. In general, the criminal acts in this complaint involved KING SR. selecting burglary targets and relaying them to other members of the Enterprise; members of the Enterprise casing and/or otherwise obtaining information about the target businesses; members of the Enterprise gathering at KING SR.’s Arbor Street residence before and/or after burglaries; the use of one or more known vehicles associated with members of the Enterprise to travel to and/or from burglary locations; and the use of tools such as sledgehammers and pry bars to force entry into buildings and to access pull tab booths and safes. Suspects who conducted the break-ins were typically (though not always) wearing ski masks and gloves.

The Enterprise’s ties to individual burglaries were discovered by means including review of evidence and reports from investigations of individual burglaries by local law enforcement agencies, sometimes in coordination with one another and/or AGE; execution of search warrants (including for the Arbor Street residence, vehicles and electronics belonging to members of the Enterprise, and phone company, Facebook, and Google records for members of the Enterprise); review of footage from a law enforcement pole camera posted outside the Arbor Street residence and recording during part of May 2023 and again between August 10, 2023, and March 4, 2024; and interviews with members or associates of the Enterprise.

BURGLARY #1: WILD BOAR, HOPKINS (HENNEPIN COUNTY), 3/6/2023—KING SR. and JACKSON

On March 6, 2023, at approximately 2:56 A.M., Wild Boar in Hopkins, Hennepin County, was burglarized. Security camera footage showed two men with masks, each carrying a prying tool, breaking into the

building and leaving with a safe containing \$21,741 in cash, charitable gambling funds belonging to the Hopkins Raspberry Association organization. The suspects also took a pre-signed blank check written on the Hopkins Raspberry Festival Gaming Account checking account. They left the scene in a Chevrolet Impala matching one registered to JACKSON. Hopkins police investigated and identified the suspects as JACKSON and ROGER LEE TRICE (DOB 5/26/1978) (who is charged individually in a separate complaint with this burglary).

Further investigation indicated the Enterprise had a role in the burglary. TRICE admitted his and JACKSON's involvement and told officers that KING SR. would direct surveillance, hold planning meetings, and handle splitting the proceeds from burglaries. He said KING JR. often conducted surveillance. KING SR. told him specifically how far to go into the Wild Boar to find the cash safe and told him that he would have two minutes from the alarm going off until the police arrived. KING SR.'s cell phone, reviewed pursuant to search warrant, had a photo with a capture time stamp about four hours after the Wild Boar burglary that showed KING SR. holding a stack of cash. KING SR.'s Trustone bank records, reviewed pursuant to search warrant, also showed that he deposited \$2,000 in cash later that morning.

BURGLARY #2: COWBOY JACK'S, OTSEGO, 3/16/2023—KING SR. and PAANANEN-BERNECHE

On March 16, 2023, at approximately 3:15 A.M., Cowboy Jack's in Otsego was burglarized. A window was broken and a safe containing \$17,781 in cash (belonging to the Rogers Youth Hockey Association) was stolen. Security camera footage showed two men with a sledgehammer in the building, and a prybar was also found at the scene. The Wright County Sheriff's Office investigated and identified PAANANEN-BERNECHE (who has been charged with second-degree burglary arising from this incident in case 86-CR-24-860) as one of the two men. Google location data revealed that after the burglary, PAANANEN-BERNECHE went to KING SR.'s residence on Arbor Street in Saint Paul.

Further investigation indicated the Enterprise had a role in the burglary. A search warrant for KING SR.'s Google account showed that he had searched for directions to 9010 Quantrelle Ave in Otsego (the address of Cowboy Jack's) at 2:07 A.M., the morning of the burglary. Photos on KING SR.'s phone, timestamped approximately six hours after the burglary, showed him carrying a large amount of cash. Shortly thereafter, KING SR. deposited \$2,000 in cash in his Trustone bank account. A Toyota RAV4, consistent with one that investigators learned KING SR. had rented on March 14, 2023, was observed on security camera footage near Cowboy Jack's at the time of the burglary.

BURGLARY #3: AMERICAN LEGION, ST. LOUIS PARK (HENNEPIN COUNTY), 3/22/2023—KING SR. and ROSILLO

On March 22, 2023, at approximately 3:26 A.M., the American Legion in St. Louis Park, Hennepin County, was burglarized. Two glass doors were broken, apparently with a tool, and security camera footage showed the two men who broke in inside the bar area. Nothing was reported stolen. St. Louis Park police learned from witness accounts and security camera footage that a person matching ROSILLO's description had been seen in the bar at about 6:30 the previous evening, walking around aimlessly and acting suspiciously.

Further investigation indicated the Enterprise had a role in the burglary. The evening before the break-in, at about 6:00 P.M., KING SR. conducted Google searches for the American Legion in St. Louis Park, both by name and by address. Data from KING SR.'s electronic home monitoring (EHM) equipment established that he was in the area of the American Legion from about 6:35 to 6:45, contemporaneously with the time ROSILLO was observed inside the bar acting suspiciously.

BURGLARY #4: WILDCATS, EAGAN, 3/25/2023—KING SR., ROSILLO, and PAANANEN-BERNECHE

On March 25, 2023, at approximately 5:09 A.M., Wildcats in Eagan was burglarized. Security camera footage shows two men breaking in using a sledgehammer and rummaging inside the building. Nothing was reported stolen. Eagan police investigated and learned that individuals matching ROSILLO's and PAANANEN-BERNECHE's description had been seen in the establishment, appearing to case the pull tab area, earlier in the week.

Further investigation indicated the Enterprise had a role in the burglary. Minutes before the break-in, KING SR. conducted a Google search for directions to 1448 Yankee Doodle Road in Eagan (the address of Wildcats).

BURGLARY #5: BROADWAY BAR & PIZZA, ELK RIVER, 3/31/2023—KING SR. and PAANANEN-BERNECHE

On March 31, 2023, at approximately 2:34 A.M., Broadway Bar & Pizza in Elk River was burglarized. Security camera footage showed two men entering the business after breaking the glass out of a door, taking a safe (which contained \$13,807 in cash belonging to the Elk River Lions Club) from the pull tab area, and leaving. Elk River police investigated and noted that one of the men appeared to match PAANANEN-BERNECHE's description but closed the investigation without any suspects positively identified.

Further investigation indicated the Enterprise had a role in the burglary. Per KING SR.'s EHM data, he was in the parking lot outside Broadway Bar & Pizza on the afternoon of March 29, 2023. KING SR.'s phone contained photos timestamped 4:21 A.M., on March 31, 2023, depicting him with KING JR. and ROSILLO. KING SR. and KING JR. are holding wads of cash. Later that day, KING SR. deposited \$1,430 in his Trustone bank account.

BURGLARIES #6, 7: VFW, ROCHESTER; FULL TILT, BLOOMINGTON (HENNEPIN COUNTY), 4/4/2023—KING SR. and PAANANEN-BERNECHE

On April 4, 2023, at approximately 1:46 A.M., VFW Post #1215 in Rochester was burglarized. Security camera footage showed three suspects, who arrived in a white sedan, using a sledgehammer to break the front glass door and entering the building. Nothing was reported stolen. Rochester police investigated and learned that minutes after the burglary, PAANANEN-BERNECHE was pulled over for speeding on Highway 52 north of Rochester while driving a white Volkswagen Passat with two unidentified male passengers. The clothing on the vehicle's occupants matched the burglary suspects' clothing. PAANANEN-BERNECHE was charged with third-degree burglary and first-degree criminal damage to property in Olmsted County (55-CR-24-2138).

Also on April 4, 2023, at approximately 3:42 A.M., Full Tilt in Bloomington, Hennepin County, was burglarized. A large window had been smashed and a safe in the pull tab area had been opened, apparently by prying off the dial. Cash belonging to the Jefferson Athletic Foundation in the amount of \$18,367 was stolen. Security camera footage was of poor quality but appeared to show three men committing the burglary, just as in the burglary earlier that morning in Rochester. Bloomington police investigated but were unable to immediately identify any suspects.

Further investigation indicated the Enterprise had a role in both burglaries. Investigators learned the Passat was rented by KING SR. and had been observed at the Arbor Street house days earlier, on March 30, 2023. KING SR.'s EHM data indicates he was at the Rochester VFW on the afternoon of March 26, 2023. On the evening of April 3, 2023, KING SR. conducted a Google search for directions to the VFW.

On KING SR.'s phone, investigators found photos of KING SR. and PAANANEN-BERNECHE posing with cash. The photos had been taken about three hours after the Full Tilt burglary. KING SR.'s phone also contained pictures of a third male taken at around the same time; this third male appeared to be one of the unidentified passengers in the white Passat that PAANANEN-BERNECHE had been driving when he was pulled over north of Rochester earlier the same morning. PAANANEN-BERNECHE also posted a picture of cash on Facebook just before 5:00 A.M., with the caption, "Happy birthday to myself." April 4 is PAANANEN-BERNECHE's birthday.

At around noon on April 4, 2023, KING SR. deposited \$1,700 in his Trustone bank account. KING SR.'s EHM data indicates he had been in the area of Full Tilt on March 25, 26, and 28, 2023.

BURGLARY #8: AMERICAN LEGION, CHANHASSEN, 4/6/2023—KING SR.

On April 6, 2023, at approximately 3:20 A.M., the American Legion in Chanhassen was burglarized. The glass on the main door had been smashed and a door to the pull tab area was damaged. Nothing was reported stolen. Security camera footage showed four suspects in the building. The Carver County Sheriff's Office investigated and reviewed footage from the building and from nearby Minnesota Department of Transportation cameras showing that the suspects appeared to have arrived and left in a white sedan but were not able to immediately identify any suspects.

Further investigation indicated the Enterprise had a role in the burglary. The white sedan observed on camera appeared to be the same Passat in which PAANANEN-BERNECHE had been pulled over two days earlier. KING SR. had conducted a Google Maps search for directions to the 290 Lake Drive E in Chanhassen, the American Legion's address, on March 21, 2023. During a search warrant executed at the Arbor Street residence on May 9, 2023, investigators found a handwritten list of bars with addresses and closing times, including the Chanhassen American Legion. This list was written on a piece of mail addressed to KING SR.

BURGLARY #9: AMERICAN LEGION, MONTICELLO, 4/7/2023—KING SR. and JACKSON

On April 7, 2023, at approximately 3:49 A.M., the American Legion in Monticello was burglarized. The glass door was smashed with a green pry bar that was left at the scene, and the pull tab booth was accessed using a pickaxe and sledgehammer. Nothing was reported stolen. Security camera footage showed two suspects in the building. The Wright County Sheriff's Office investigated and took DNA swabs from the pry bar, which were tested and came back as an unconfirmed match to JACKSON's profile in a convicted offender database.

Further investigation indicated that the Enterprise had a role in the burglary. The address and closing time of the Monticello American Legion was on the handwritten list recovered at the Arbor Street residence. KING SR. had conducted a Google Maps search for directions to the American Legion at 304 Elm in Monticello on April 5, 2023.

BURGLARY #10: WILDCATS, EAGAN, 4/7/2023—KING SR.

On April 7, 2023, at approximately 5:20 A.M., Wildcats in Eagan was burglarized again. The front glass door was broken, and the pull tab booth was pulled to the side. Security camera footage showed two suspects who arrived in a white sedan consistent with the Passat in which PAANANEN-BERNECHE had been pulled over on April 4. One of the suspects smashed the door glass with a pickaxe-like tool and the other entered the business, then left it at around 5:24 A.M., At 5:42 A.M., the same suspects returned; once again entered the business, leaving about five minutes later. Nothing was reported stolen. Eagan police investigated but were not able to confirm the identity of either suspect.

Further investigation indicated that the Enterprise had a role in the burglary. As noted above, KING SR. had recently conducted a Google search for directions to the address of Wildcats, and the white Passat was rented by KING SR., observed at the Arbor Street residence, and driven by PAANANEN-BERNECHE. A search warrant for cell phone tower data also revealed that a tower near Wildcats had been used at about 5:30 A.M., on April 7 (between the first and second entries to Wildcats that morning) for a phone call between a phone number ending in 0414 and a phone number known to belong to KING SR. KING SR.'s phone included text messages with this number from later in April 2023 that appear to discuss prospective burglaries.

BURGLARY #11: SPORTS PAGE, BLOOMINGTON (HENNEPIN COUNTY), 4/8/2023—KING SR., PAANANEN-BERNECHE, and JACKSON

On April 8, 2023, at approximately 4:47 A.M., Sports Page in Bloomington, Hennepin County, was burglarized. Bloomington police dispatch observed on camera a suspicious gray sedan rolling around the parking lot of the business and saw what appeared to be flashlights inside the building. Bloomington police responded and found a large window at Sports Page broken out. A set of wooden sliding closet doors was also damaged. Nothing was reported stolen. Police later pulled over the gray sedan, which turned out to be JACKSON's Chevrolet Impala. JACKSON, PAANANEN-BERNECHE, and one other person were inside. Bloomington police reviewed security camera footage and saw that the one person who appeared to have run up to the building had been riding in a white sedan consistent with the Passat, rather than in JACKSON's Impala. Police obtained and executed a search warrant for the Impala and found, among other things, a pry bar, an axe and gloves. The Hennepin County Attorney's Office declined to file charges against PAANANEN-BERNECHE, JACKSON, and one other suspect (C.M.) related to this burglary.

Further investigation indicated that the Enterprise had a role in the burglary. JACKSON was later arrested (on May 9, 2023; BURGLARY #21, below) and interviewed. he admitted being at Sports Page on April 8, 2023, with PAANANEN-BERNECHE and C.M. He said he participates in burglaries because KING SR. pays him \$500 each time.

BURGLARY #12: AMERICAN LEGION, HOWARD LAKE, 4/13/2023—KING SR.

On April 13, 2023, at approximately 3:24 A.M., the American Legion in Howard Lake was burglarized. A window was broken and a safe containing \$11,853 in cash was taken from the pull tab booth. Security camera footage showed two suspects walking to the building after having parked a white sedan, consistent with the Passat, across the street. Footage shows one suspect using a sledgehammer on the safe. Howard Lake police and the Wright County Sheriff's Office investigated but were unable to positively identify the suspects.

Further investigation indicated that the Enterprise had a role in the burglary. The address and closing time of the Howard Lake American Legion was on the handwritten list recovered at the Arbor Street residence. KING SR. conducted a Google Maps search for directions to 616 7th Avenue in Howard Lake, the address of the American Legion, less than two hours before the burglary.

BURGLARY #13: AMERICAN LEGION, STILLWATER, 4/17/2023—KING SR., KING JR., and MASSIE

On April 17, 2023, at approximately 3:03 A.M., the American Legion in Stillwater was burglarized. The front door was pried open and the pull tab safe containing \$3,270 in cash was taken. Security camera footage from across the street shows a white sedan consistent with the Passat parking on the street in front of the American Legion, shortly after a black vehicle that appeared to be operating as a lookout drove past it. Two suspects exited the white sedan, and using a tool, forced open the door and entered the building. Less

than a minute later they exited the building carrying the safe and drove away, followed quickly by the black vehicle.

Stillwater police investigated and obtained Google location data indicating that MASSIE was in the black vehicle as well as cell phone location data indicating that KING JR. was one of the two suspects who entered the business. KING JR. and MASSIE were each convicted of second-degree burglary for this incident (82-CR-22-4691 and 82-CR-22-4690, respectively).

Further investigation indicated that the Enterprise had a role in this burglary. KING SR.'s phone included text messages to KING JR. reading "Dales coming" and "Get up" approximately two hours before the burglary, as well as text messages minutes after the burglary reading "Go to dales," "Dales," and "Asap." KING SR.'s EHM data showed that he was at the Stillwater American Legion's address on April 14, 2023, and that he was at MASSIE's residence in Saint Paul from about 3:24 A.M., until about 3:49 A.M., on April 17.

On April 21, 2023, at approximately 3:03 A.M., Blainbrook Bowl in Blaine was burglarized. A large side window was broken, an interior door forced open, and a pull tab safe damaged. Interior and exterior security camera footage showed three suspects entering the building using a sledgehammer. Two of the suspects came from a white sedan (consistent with the Passat) and one from a dark SUV that appeared to be a Chevrolet Tahoe. Nothing was reported stolen. Blaine police investigated but were unable to specifically identify the suspects on the scene.

Further investigation indicated that the Enterprise had a role in this burglary. KING SR. searched for directions to 12000 Central Avenue NE, the address of Blainbrook Bowl, at 2:07 A.M., the morning of April 21. A handwritten note of locations photographed during execution of the Arbor Street residence warrant included a partially obscured entry reading "NBROOK OWL" (with one of the words written above the other; the entire entry likely read "BLAINBROOK BOWL") and "27 minutes"; a Google Maps search for directions from the Arbor Street residence to Blainbrook Bowl indicates that it is a 27-minute drive. FIKES was arrested on August 27, 2023, driving a black Tahoe consistent with the one seen in security footage. KING SR. texted FIKES at 12:05 A.M., on April 21 with an address immediately across the street from the Arbor Street residence in Saint Paul, to which FIKES responded, "Yup." FIKES and KING JR.'s cell data records indicated they were in the area of Blainbrook Bowl at the time of the burglary. KING SR. made calls to both KING JR. and FIKES between 2:35 A.M., and 3:05 A.M., the morning of April 21.

Exterior security camera footage showed a white sedan consistent with the Passat parking outside the building; three suspects emerge from the car, one carrying a tool. The Ramsey County Sheriff's Office investigated but was unable to positively identify any suspects.

Further investigation indicated that the Enterprise had a role in the burglary. KING SR. searched for directions to Stout's on the afternoon of April 21, 2023. Phone records indicated KING SR. called FIKES at 2:36 A.M., on April 22. FIKES' phone data indicated he was in the area of Stout's at the time of the burglary. One of the suspects on the security camera footage was wearing a hooded sweatshirt with a Pittsburgh Penguins logo on it, consistent with one that was found during execution of the search warrant for JACKSON's Impala in connection with the Sports Page burglary in Bloomington.

On April 25, 2023, at approximately 3:23 A.M., Big Louie's in New Brighton was burglarized. A window was broken and drawers in the pull tab area forced open. Security camera footage showed a white sedan consistent with the Passat parking outside the business. Two suspects exit the vehicle and one smashes the window with a sledgehammer and enters the building. The sledgehammer was left behind. Nothing was reported stolen. New Brighton police investigated but could not identify a known suspect.

Further investigation indicated that the Enterprise had a role in the burglary. KING SR. searched for directions to Big Louie's on the morning of April 23. Further investigation indicated that the Enterprise had a role in the burglary. KING SR. and KING JR. exchanged text messages on the evening of April 28 in which KING SR. expresses impatience for KING JR. to be "ready." KING SR. searched for directions to 14917 Garrett Avenue (the address of Bogart's) approximately 23 minutes before the burglary. KING SR. called KING JR. at 1:41 A.M., KING JR.'s phone data indicates he was in the area of Bogart's at the time of the call. KING SR.'s phone contained photos of himself holding a large amount of cash taken at 4:37 A.M., 10:13 A.M., and 10:53 A.M., the day of the burglary.

KING JR. texted KING SR. a photo of Mama G's, with a black truck parked in front of it, at 5:57 A.M., on May 2 (the day before the burglary). Immediately before sending the photo, KING JR. texted KING SR., "The owner just pulled in there..." KING SR. replied, "Fuck it tonight fasho." DVR footage from security cameras at the Arbor Street residence, obtained and reviewed pursuant to search warrant, showed KING JR. putting a sledgehammer and a crowbar-type tool into the white Passat and then driving away with JACKSON in the passenger seat approximately 1:24 A.M., The footage showed the Passat returning at about 5:23 A.M., and KING JR. and JACKSON getting out. JACKSON is wearing a Champion

Officers observed the Passat and MASSIE's blue Impala leaving the Arbor Street residence early in the morning on May 4. Video from a pole camera placed by law enforcement near the Arbor Street residence, and from the residence's security camera footage, showed that this occurred at approximately 2:02 A.M., KING SR. was in the Impala, and KING JR. and JACKSON were in the Passat; JACKSON had put a sledgehammer and pry bar-type tool in the trunk. Officers attempted to follow the vehicles when they left Arbor Street but lost them.

The Passat returned to Arbor Street at 4:31 A.M., with the driver identifiable on video as JACKSON, and the Impala returned at 4:52 A.M., with the driver identifiable as MASSIE and passengers identifiable as KING SR. and KING JR. KING SR. searched for directions to The Clover at 12:41 A.M., on May 4, about two hours before the burglary.
