THE 2021 INDUCTION group for the Javelina Hall of Fame will be a popular one.

It includes four individuals and a team.

Al Harris has been an outstanding professional football player since finishing with the Javelinas and he is currently the secondary coach for the Dallas Cowboys.

His credentials are such, he could be a candidate for the fourth Javelina in the Pro Football Hall of Fame.

Don Pittman was an assistant football coach for the Javelinas two different times and was considered one of the best recruiters the Javelinas have had.

He recruited players such as Johnny Bailey and Heath Sherman, two of the Javelinas' all-time best.

After the recruits hit campus, he was a friend and willing to help them out whenever needed.

He had a program where a player could receive aid if they

In the 2003 NFL wildcard playoff game, he returned an interception 52 yards for the game-winning touchdown in overtime.

It was the first time a playoff game had been won by a defensive touchdown.

Despite being injured, he was given a championship ring when the Packers won the Super Bowl in 2010.

Pittman was on the Javelina football coaching staff for 18 years. He was offensive coordinator for three seasons and the running backs coach the remainder of the time.

He recruited several of the top Javelina players of all time.

Pittman played for Javelina Hall of Fame member Ron Harms at Adams (Colo.) State and was on Harms' staff while at Texas A&I and Texas A&M-Kingsville.

Pittman was the offensive coordinator at Albany (Ga.) State from 2002 until 2008.

He became the head football coach at Fort Valley (Ga.) State in 2009 and was there through the 2012 season.

Pittman has a bachelor's degree from Adams State and a master's degree from Texas A&M-Kingsville.

Rezza became the became the first Javelina softball player to receive All-America first team honors in 2006. She was on the National Fastpitch Coaches Association team.

A second baseman, she set a school record with a .434 batting average her senior season. She had held the record .392, set as a junior.

Her 79 hits as a senior set a school record. Her 108 total bases were the second best ever, her 20 stolen bases were the third best and her .593 slugging percentage ranked fourth.

She played in a record 212 games in her career. Other career marks were most hits (260), batting average (.375), triples (24), runs scored (133) and total bases (343).

Rezza was named the Lone

Star Conference South Division hitter of the year, she was first-team All-LSC, made the NCAA Division II All-South Central Region team and she was named All-LSC first team as a senior. She had been on the All-LSC team for four seasons.

Scholz was a long-time athletic secretary and later was secretary for the Javelina Booster Club. She kept the records and did an outstanding job in helping run the club.

She was an away-from-home mother to the athletes and enjoyed giving the former players hugs when they returned to campus.

She was with the University for years before moving to athletics.

Her term in the athletic department was from 1970 until she passed away in August of 2013.

They include Central Oklahoma, Grand Valley (Mich.) State, Lincoln Memorial (Tenn.), Lindenwood (Mo.), Queens (N.C.), Valdosta (Ga.) State, West Florida and West Georgia.

When moving from Division II to Division I, there is a four-year reclassification period during which time the teams aren't eligible for NCAA playoffs.

Javelina Highlights Presented By

**Javelina Battalion
 Army ROTC**

Former Javelina Athletes To Be Honored at Tejano Awards Banquet

Two former Texas A&I athletes will be among those honored at the Tajano Heritage Awards Banquet Oct. 14.

The 7-9 p.m. event will be in the Memorial Student Union Building on campus.

The athletes are Oscar Gonzalez, long-time coach, educator and politician in South Texas who was one of the early Hispanics to play football for the Javelinas, and Roberto Gonzalez, long-time educator and public school administrator in South Texas who was a record-setting distance runner for the Javelina track and field team.

Oscar attended Texas A&I in 1949-51.

Roberto, from Falfurrias, was on the Javelina teams in 1969-72.

The 1969 and 1970 squads won Lone Star Conference championships, the first for the school since joining the league in 1954.

As a freshman, Roberto had the Lone Star Conference all-time best performances in the mile run with a 4:08.1 and the 880-yard run with a time of 1:50.3.

He set school records in the 880-yard run and mile run and was on the two-mile relay, sprint medley relay and distance medley relay units that set school records.

Roberto won several LSC gold medals in his four seasons with the Javelinas.

The banquet is a part of the Texas A&M-Kingsville's Hispanic Heritage Month events. It is sponsored by the Division of Student Affairs, the College of Arts and Sciences and the Department of Art, Communications and

Theatre.

The other honorees are Antonia Alvarez, Texas A&M-Kingsville administrator who retired earlier this year after serving in several positions since the 1970s, and Alicia Arredondo

Clarke, South Texas educator and one of the first Hispanics to graduate from Texas A&I when she attended in the 1940s.

For more information, contact Dr. Manuel C. Flores at Manuel.Flores@tamuk.edu.

2021 Javelina Tailgating Guidelines

PURPOSE: Texas A&M University-Kingsville tailgating compliments the Javelina gameday experience by providing a social gathering area prior to home football games. Javelina alumni, students, fans and supporters can enjoy the tailgating traditions of food, fellowship and fun as a prelude to home games and all Lone Star Conference and NCAA playoff games.

The University alcohol policy prohibits the possession or consumption of alcoholic beverages on campus except in designated areas. Tailgating activities are permitted in Lot G (Southeast corner). To ensure our tailgating tradition provides a safe and positive game environment, the following guidelines will be enforced by the University Police Department and Home Events Staff.

1. One tailgate space per group.
2. Tailgating spaces **CAN NO LONGER BE PRE-MARKED**. Marking of any spaces with spray paint, stakes, rope, ribbon, etc. **IS PROHIBITED**. Setup starts at 7 a.m. Saturday, the day of the game.
3. Tailgate areas must be completely setup on **GAME DAY ONLY**. Your area **CANNOT BE LEFT UNATTENDED AFTER SETUP**. Tailgate spaces are available on a first-come, firstserved basis and must be consistent with the lane markings and other signage. Please honor and be respectful of the reserved areas. Tailgate spaces marked or setup prior to 7 p.m. on Saturday or any unattended areas are subject to removal by authorized University representatives and will not be replaced.
4. **IMPORTANT...The Department of Athletics does not guarantee tailgate spaces and is now responsible for any spaces at any time.**
5. Javelina athletics and TAMUK are not responsible for any lost, stolen or damaged personal property.
6. Parked vehicles are not allowed in the tailgate area. **ONLY DROPOFF** of your tailgate items is allowed by vehicle—**NO EXCEPTIONS!** No non-University golf carts or ATV vehicles are allowed in the tailgate area or adjacent game-day areas. Entrance by vehicles will be through Avenue C and exit will be by the electronic marquee.
7. **Pets are NOT allowed!** Service animals are an exception to these guidelines.
8. The possession and use of alcoholic beverages must be in compliance with all state, county, city, Board of Regents and University laws and ordinances. Individuals of legal age—21 or older—may consume alcoholic beverages in the

tailgating area. It is also illegal to provide alcohol to minors. Alcohol is not permitted outside the tailgating area.

9. All beverages must be in cans or plastic containers. Alcohol drinking games, funneling or any other games are prohibited. *Alcohol drinking game apparatus, kegs, beer pong balls or other common source containers* are prohibited. **NO GLASS BOTTLES ALLOWED!**

10. If alcoholic beverages are served, tailgateres must also serve an adequate amount of food or alternative beverages in the same location as alcoholic beverages.

11. Individuals are encourages to have designated drivers who do not drink alcoholic beverages to monitor their tailgating party throughout its duration.

12. **Disruptive behavior:** Individuals who interfere with the rights of others by the use of loud, abusive language, music and/or behavior, or who may prevent others from enjoying tailgating will be asked to cease and desist and may be directed to leave the event if necessary.

13. ALL tailgate parties will **CONCLUDE** 15 minutes prior to kickoff and all participants will depart the tailgate area no later than 15 minutes after kickoff.

14. Tailgate parties may not resume at halftime.

15. Advertising banners or corporate sponsor signage are not allowed without prior written approval from the Texas A&M University-Kingsville athletic department. No distribution of advertising flyers/promotional materials allowed.

16. Participants and organizations are prohibited from selling food, products and/or raffle tickets, campaigning for office, distributing petitions and/or lobbying for votes.

17. No live bands or loud speaker systems are permitted on the premises. All music must cease whenever the live entertainment at the Javelina Main Stage area begins.

18. All trash, equipment and debris must be removed from the tailgate area by the tailgating members prior to post-game departure and no later than 45 minutes following the completion of that game. Please deposit all aluminum items in the recycling containers.

19. No open pit fires are allowed. Fire must be contained to a grill.

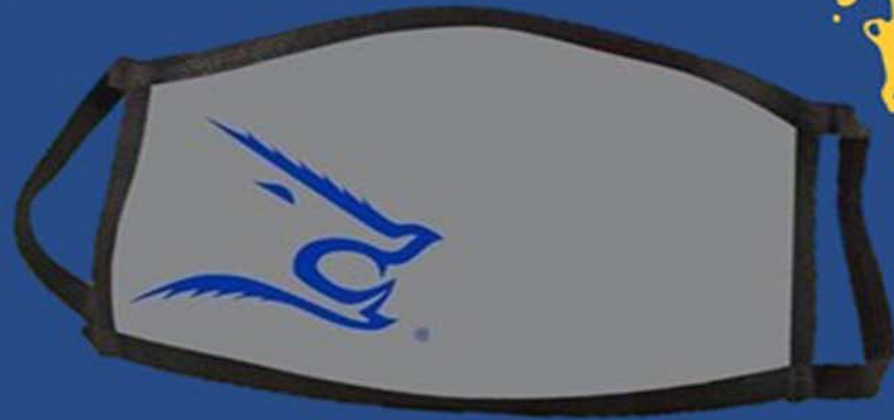

20. Violation of any of these guidelines may result in immediate termination of tailgating privileges, criminal prosecution and/or disciplinary action.

21. RV owners need to make prior arrangements by calling (361) 593-2493.
