

# GRIEF COUNSELING TRAINING

The fires on Maui highlight the important need for helpers to assist our community as they grieve. This training focuses specifically on helping children and teens with grief. The training is completely free and includes meals, copies of PCE Solutions My Journey facilitator guide and student workbooks, as well as continuing education credits.

Please register for one of the following trainings. The in-person one day training is from 8:30-3:00pm at the following locations:

**9/25:** 'Iolani School, Honolulu, Oahu

**9/27:** Montessori School of Maui, Makawao, Maui

**9/29:** Hawaii Preparatory Academy, Waimea, Hawaii Island

## **Participants will learn:**

Myths vs truths about grief for children and teens

Developmental and cultural differences in experiencing and coping with grief

How helpers can support children and teens with grief

**Who should attend:** Individuals that support others in coping with grief and helping others heal, including counselors, therapists, chaplains, teachers, cultural healers, and community leaders. All are welcome. It is helpful to have education, training, or experience in a helping role.

**Regina Siez, Licensed  
Clinical Social Worker**

Regina has over 20 years of experience working with diverse populations. She is the author of the My Journey curriculum. She is leading this training.
