---

The Jefferson City Police Department has become aware of confusion regarding the name of an individual involved in a recent shooting investigation. We want to clearly state that the suspect identified in this case is **not** the same individual as S. C. Scrivner, the son of retired Police Captain Gary Scrivner, who retired from the Jefferson City Police Department in 1997.

We have contacted Mr. Scrivner, who is currently living out of state, to inform him of the confusion that is occurring within our community.

The individual referenced in this investigation has no familial or professional connection to any current or former member of this department. We appreciate the public's attention to accuracy and ask that uninvolved individuals not be drawn into this matter.
