

Informational Meeting

Topics:

- White Cloud Acres Data Center Project
- White Cloud Generating LLC Project
- Proposed White Cloud Township Zoning

Tuesday, September 29th • 6:30 PM

Graham Community Building

Join us for a community informational meeting about the proposed White Cloud Township zoning and the White Cloud Acres Data Center and White Cloud Generating LLC projects.

A question-and-answer session will be held with available information. Nodaway County Commissioners and representatives from Nodaway County Economic Development, the City of Maryville, Nodaway 1 Water, and South Nodaway Schools have been invited to participate.

All are welcome to attend.

These are large projects, and everyone deserves an opportunity to understand what is being proposed, ask questions, and share concerns during the moratorium period.
