

The Corner Conference has announced that it has made the decision to move the boys and girls conference tournament championship and consolation games to East Mills due to Conference Schools not being in person on Friday.

The updated schedule will feature the girls third and fourth place game and the girls championship game at 6:00 p.m. Once the girls games are completed the boys third and fourth place game and the boys championship game will follow. The Corner Conference appreciates the flexibility and cooperation of the participating schools and East Mills as it works to prioritize safety while still providing a quality championship experience.
