SMC Foundation Holds Successful Golf Event

The 28th Annual SMC Foundation Golf Event was held at the beautiful and well-maintained Shenandoah Community Golf Course on Thursday, June 5th. This year's event was completely sold out and included 36 teams, multiple business sponsors, SMC staff assistance, and SMC Foundation Board participation throughout the golf course. Thanks to the generosity of the golf participants and sponsors, the SMC Foundation was able to raise \$34,000 to benefit patients of Shenandoah Medical Center.

SMC Foundation Director, Haley Weis, made the following comment about this year's event, "We are incredibly grateful for the outpouring of support at this year's golf tournament. Thanks to the generosity of our sponsors, players, and volunteers, the event was a tremendous success, not only in raising vital funds for our hospital but also in bringing people together around a shared commitment to local healthcare. Every dollar raised helps strengthen the care we provide close to home, and we're truly thankful to everyone who made it possible."

A special thank you to our local sponsors: SWIFT, Bank Iowa, Signs and Shines, Edward Jones-Dustin Christiansen, KMA, Shenandoah Inn and Suites, Southwest Iowa Dental Associates, T Shots Downtown, Northwest Bank, Farm Bureau-Elizabeth Davison, Shenandoah Sanitation, Miller Building Supply, McNeilly Garage Door, United Group Insurance, County Line Design, Wild Rose Chevrolet, Hy-Vee, Fareway, and Roc Stop.

Proceeds from the golf event are used to support scholarships for local seniors who will be attending college to pursue a healthcare-related field. Additional proceeds are used for SMC internal department grants, providing funding for programs and equipment that directly benefit SMC patients.
