Fax: 712-246-3722

The Shenandoah Community School District is happy to announce that the State Board of Education's Committee for Conference Realignment has approved the district's request to move to the Western Iowa Conference (WIC).

Under the approved plan, Shenandoah will conclude its membership in the Hawkeye Ten Conference at the end of the 2025–26 school year and officially join the Western Iowa Conference beginning with the 2026–27 school year.

Shenandoah Community School District officials expressed strong support for the decision and appreciation for the work of the conference realignment committee.

“We are looking forward to this move and are pleased with the decision made by the conference realignment committee,” the district said. “We believe joining the Western Iowa Conference will provide positive opportunities for our students and programs moving forward.”

The district also expressed gratitude to the Hawkeye Ten Conference for decades of competition and collaboration.

“Shenandoah thanks the Hawkeye Ten Conference and its member schools for the many years of competition, sportsmanship, and shared experiences,” the district added. “We wish only the best to the schools that will continue as members of the Hawkeye Ten.”

Additional details regarding schedules can be found by visiting gobound.com or going to the school website (www.shencsd.com) and clicking on the "Activities" link. Most scheduling for the 2026-2027 school year has been completed and will be finalized as this school year comes to a close. Further information about conference alignment will be shared as the transition continues.

If you have any questions, please contact Superintendent Dr. Kerri Nelson (712-246-1581) or Activities Director Jon Weinrich (712-246-4727).
