

# JOHN ERIXSON AUCTION

SATURDAY  
**AUGUST 2026**  
**29**

 **10:00 AM**

**DAY #1**

**THIS IS DAY #1 OF MANY PLANNED AUCTIONS FOR JOHN ERIXON**

**AUCTIONEER'S NOTE:** "I have had the privilege of knowing John longer than I care to admit. John has thousands of items to sell. These items have been stored inside for years and now it's time to liquidate. The process of unpacking and getting a list is very time-consuming and needs to be done in increments, therefore it is impossible to advertise a specific list. Come to each auction and explore with us. Don't miss!" – Ed
