Thomas Jefferson High School Names Shea Patterson New Head Baseball Coach

(Council Bluffs, Iowa) – Shea Patterson has been selected as the new head coach for the Thomas Jefferson High School baseball program.

Patterson has served as an assistant coach for six years at St. Albert, where his father, Duncan Patterson, is the head coach. Shea played college baseball at Morningside University.

Patterson expressed excitement about being named the new varsity head coach for the Jackets. “I am interested in building upon a winning and competitive culture for the baseball program,” Patterson said. “I am looking forward to getting to know more of the players and interacting with parents.”

According to Luke Peterson, T.J. Activities Director, Patterson will be a good fit for the Thomas Jefferson High School baseball program.

“I am super excited about bringing Coach Patterson on board as our New Head Baseball coach” Peterson said. “I am very encouraged by the path that Coach Patterson has outlined for the program, and I am looking forward to seeing the plan in action for our players and baseball community. We want to revitalize the rich baseball history at TJ where we currently rank tied for 5th place in the number of Baseball State Championships with a total of 9.”

Patterson earned a bachelor’s degree in biology, with a minor in business from Morningside.
