2. The facts supporting this belief are as follows:

On 04-20-2026 at 11:46pm officers responded to 218 North Madison St Apt C for a medical call. As officers were enroute to the location the victim, Cathy Beck, told dispatch she had been shot with a firearm. Officer Love located Beck on scene bleeding profusely and applied a tourniquet to Beck's left arm to stop the bleeding. The suspect, Tammy Lynch, was located on scene and taken into custody.

After gathering statements from Beck, officers learned this incident started from a verbal argument. Beck stated she had a verbal argument with Lynch due to accusations that Lynch stole items from Beck while she was away in Kansas City, Missouri. Beck stated Lynch told her to come back over to her apartment. When Beck walked toward Lynch's back door, Lynch was holding a firearm and had it pointed at Beck. After some continued verbal argument, Lynch fired three rounds at Beck.

Before officers arrived on scene, Lynch called 911 and told dispatch she shot Beck with a firearm. The 911 recording has been placed into evidence. Three casings, a flattened bullet, two sets of 9mm bullet remains, a Glock 43 9mm handgun, a Glock magazine, and an unused 9mm bullet were located on scene and collected. Beck told officers Lynch fired three rounds at her and two of the rounds struck her.

Beck was transported to a local hospital by ambulance. Beck was immediately taken into emergency surgery along with a blood transfusion. Due to the severity of Beck's injuries, she was life-flighted to a hospital in Springfield, Missouri.
