STATE OF MISSOURI
COUNTY OF JASPER

Date: 2/29/2024

I, Detective Trenton Greene, knowing that **false statements on this form are punishable by law**, state that the facts contained herein are true.

1. I have probable cause to believe that between January of 2022 and August of 2024 at an address in Jasper County, Missouri, Eugene Pershing Boone, a White Male (suspect description) committed one or more criminal offense(s) of:
 - Possession of Child Pornography - RSMo: 573.037 (B Felony due to having more than 20 still images & 4 motion picture films)
 - Invasion of Privacy - RSMo: 565.252 (E Felony due to multiple individuals)

Name: Boone, Eugene Pershing

Arrested: 02-26-2025 at 1708 hrs

2. The facts supporting this belief are as follows:

On 09-03-2024, Jasper County Sheriff's Office responded to an address within Jasper County, Missouri in reference to an SD card that had been found and possibly contained Child Sexual Abuse Material. The Caller, advised he had found the device in his driveway and suspected it belonged to his friend, Eugene Boone who also resided on the property for the past 4 to 5 years.

On 09-11-2024, I Detective Trenton Greene conducted a data extraction from an SD card belonging to Eugene Boone after obtaining a search warrant for the device (24AO-MC00263).

While reviewing the device, I found the following:

- 46 still images of a young juvenile victims of Child Sexual Abuse Material with one being a "identified child" through NCMEC. These juvenile victims were young and appeared to be adolescent, exposing their genitals in a sexual nature.
- 4 different videos of 5 juvenile victims of Child Sexual Abuse Material. During the videos, their private areas were shown on video with three of the videos show the female juvenile victims performing sexual acts. These juvenile victims were young and appeared to be either prepubescent or adolescent. The combined length of time for the video's amounts to over 74 minutes.
- There were also multiple videos of various lengths with at least three of which showing Eugene Boone placing a recording device in a private bathroom of Victim 1-4's residence, unknowing to them and recording them in various states of undress from partially nude to fully nude exposing their breasts, butt and vaginal areas. Eugene had hidden the recording device at the bottom of a basket. Victim 1 was identified in 1 video, Victim 2 was identified in 4 videos, Victim 3 was identified in 6 videos and Victim 4 was identified in 5 videos. There were also two videos that were taken outside of Victim 3's, bedroom from the outside and recorded her changing. The other individuals were not identified at this time.

3. MISDEMEANORS AND FELONIES: (If seeking a warrant) I am requesting issuance of an arrest warrant based on the following:

I believe that the defendant will not appear in court in response to a criminal summons because:
Eugene doesn't have a permanent address anymore. He is considered a flight risk.

I believe the defendant poses a danger to a crime victim / the community or to any other person because:
By knowingly and unlawfully filming a females (some being juvenile) for sexual purposes and by being in possession of child pornography

I certify the above information is compliant with MO Supreme Court Rule 19.10 REDACTION OF CONFIDENTIAL INFORMATION.
