

Cape Fair | Republic | Bolivar | Webb City

OUR STORY

Alan Kram has been in the food industry for over 45 years. When Flat Creek in Cape Fair, MO came on the auction block in 2009, he wanted it. With the help and encouragement of his family they were able to purchase the restaurant.

Success was not easy. Flat Creek had many problems. It could only accommodate about 50 customers and the kitchen was way too small. Against all odds, it was up to Alan to make this restaurant a success. Word spread that Flat Creek served great food and Alan and his staff really cared about the customers.

Customers started coming in and they soon became friends. They were encouraged to bring in memorabilia to decorate the bare walls and ceiling of Flat Creek. They brought special items to personalize the restaurant. Now Flat Creek's walls and ceiling tell a story about these friends.

Support from the locals helped make Flat Creek what it is today. The seating capacity has increased from serving 50 customers at a time to now over 300 customers.

Alan met Josh shortly thereafter. Josh has been in food service for over 25 years, accompanied with a stellar reputation with the industry and the people in it. Alan and Josh complement each other well and continue to grow their businesses.

In 2019 Alan and Josh opened a second Flat Creek location in Republic, MO. In early 2020 they bought the ever famous Billy Gail's in Branson, MO serving breakfast and lunch. They quickly expanded and brought the signature 14" pancakes to our friends in Ozark, MO later that year with their second Billy Gail's location, followed by another Branson location at the Branson Mill Shopping Center in 2022.

2023 is bringing exciting additions as well. They will begin serving the communities of Bolivar, MO and Webb City, MO with new Flat Creek restaurants.

Flat Creek and Billy Gail's restaurants have become the area's number one destination restaurants and we want to thank everyone for the ongoing support. **WE APPRECIATE YOU!!!**
