

# **Crawford County Plan for Re-Opening**

## **PURPOSE AND INTRODUCTION**

As we approach the final days of the Kansas Governor’s “Stay at Home” order, this document has been prepared to offer guidance on a safe, stepwise reopening of Crawford County. We must continue to take measures to ensure the safety of our most vulnerable population and continue to ensure our healthcare resources are not overburdened. In an effort to do this, the Crawford County Health Officer and the Crawford County Board of Health presents here four “phases,” each of which represents a different level of guidance to help save lives and reduce transmission of the COVID-19 virus. It is understood that restarting economic activity is one of our county’s priorities at this time along with keeping our community safe and limiting the spread of COVID-19. This is a critical time to be thoughtful and careful about reopening Crawford County. We do not want to have to return to a “Stay at Home” order and believe that a safe, stepwise approach will allow Crawford County to accomplish this goal. It is important for businesses and the public at large to understand that this and any plans made for re-opening Crawford County must remain flexible as movement restrictions and gathering restrictions may need to be adjusted as the pandemic continues to unfold (i.e. restrictions may have to be tightened for short periods of time if outbreaks occur within the County).

## **GUIDING PRINCIPLES TO BE FOLLOWED THROUGH EACH PHASE**

- State restrictions must allow for the actions included in each phase.
- To move from one phase to the next, all of the following criteria must be met:
  - o Local indicators must show decreasing or stable transmission or an increase consistent with the state’s epidemiological rate for at least 14 days before the beginning date of the next phase.
  - o Sufficient testing must be available.
  - o Sufficient Personal Protective Equipment (PPE) must be available.
  - o Hospitals must have the capacity to treat an increased number of COVID-19 patients requiring hospitalization.
  - o The public health system must be able to promptly identify and isolate infected individuals and identify and quarantine necessary contacts.
- When able, staying home is recommended.
- Social distancing measures should continue to be followed:
  - o Stay 6 feet away from others.

- o Interact only with people of the same household when possible.
- o Limit non-essential travel.
- It is recommended that cloth masks should be worn in all public places per CDC guidelines (especially for those at high risk: over the age of 60 or have underlying health conditions)
- Practice good hand hygiene by washing hands with soap and water or using hand sanitizer frequently.
- Avoid touching your face, mouth, nose, or eyes.
- Symptoms of COVID-19 include (but are not limited to) fever, cough, shortness of breath, sore throat, headache, chills, aches, fatigue, loss of smell or taste, nausea/vomiting, diarrhea.
- Businesses, organizations, or facilities may have stricter regulations than what are listed below but may not have less restrictive regulations.
- Vulnerable/High risk individuals and senior citizens should stay home as much as possible. They should stay in contact with their health care provider. They should not congregate with others who are not members of their immediate household.
- The reason for keeping a log of visitors or customers is to aid in contact tracing should positive cases of COVID 19 happen. Information must include date, name, and phone number.

#### **Public Health Orders and Re-Evaluation of Re-Opening Phases:**

The Crawford County Health Officer in conjunction with the Crawford County Board of Health will utilize the Crawford County re-opening plan to put in place Public Health Orders for the time periods stated within the re-opening plan. Public Health Orders may require change if further State of Kansas orders are passed by the Governor or in the case that the current Stay at Home Order is extended by the Governor. The Crawford County Health Officer in conjunction with the Crawford County Board of Health will also reassess each phase of re-opening at a minimum of once a week to ensure that orders are effective and to evaluate for necessary changes. Weekly evaluations will take place during Crawford County Commission meetings. Additional County planning sessions will be scheduled on an as needed basis. These meetings are open to the public. Government entities should plan to re-open per agency policy.

## **Phase 1 – NOW**

1. Mass Gatherings Limitations: 10 or less
2. Essential Businesses:
  - Screen staff for fevers and any symptoms of COVID-19 with a questionnaire at workplace entrance
  - It is strongly recommended that all employees wear masks at all times unless prohibited by other safety equipment.
  - Move workspaces 6 feet apart
  - Stagger work shifts and keep work cohorts consistent
  - Common areas, such as breakrooms and lobbies, should be closed
  - Telecommuting/Working from home should be maximized
3. Restaurants and Bars:
  - Delivery and takeout/curbside service only
  - Beverages not in their original container (ex. fountain drinks and coffee) must be served by an employee
4. Retail Businesses:
  - Depending upon the square footage of the businesses each retailer must limit the number of customers in the store at any given time to ensure that the 6-foot social distancing requirement can be met
  - If the store reaches its capacity, customers should be admitted on a “1-out-1- in” basis
  - Provide shopping cart sanitation supplies
  - Maintain social distancing
  - Consider 1-way flow of movement through store indicated by floor marks
  - Employees are encouraged to wear masks at all times
  - Hand sanitizer should be readily available throughout the premises
  - Marks should be applied to the floor in the area adjacent to each cash register to indicate where to wait for check out
  - It is highly recommended that plexiglass or glass barriers be installed at checkout lanes
  - Enhanced cleaning should be done throughout the workday
5. Long-Term Care/Assisted Living Facilities:
  - Maintain social distancing as much as possible
  - Adjust the layout of common areas including dining facilities to maintain 6-feet between residents
  - Perform enhanced cleanings daily
  - Screen all employees for fevers and any symptoms of COVID-19 before they begin their shift
  - Staff should wear masks at all times
  - No outside visitors allowed
6. Childcare:
  - Childcare facilities must adhere to all KDHE childcare provider/facility guidelines

- Outdoor activities are encouraged; use of commonly touched items such as playground equipment, toys, and sports equipment is discouraged.
  - Perform enhanced cleanings daily
  - Children should be cared for in rooms of 10 or less with the same caregiver each day and placed into cohorts so that the same children are in the same room each day.
  - Screen workers and children for fevers and any symptoms of COVID-19 with a questionnaire at facility entrance
  - Parents and caregivers should not enter the facility
7. Personal Services (salons, barber shops, massage therapist, pet grooming, any other personal service provider):
    - Not allowed per state guidelines
  8. Religious Services:
    - Religious services should adhere to mass gatherings (10 or less) and social distancing guidelines (6-feet between parishioners)
    - Parking lot services should follow established guidelines of social distancing (6-feet between parishioners)
    - Churches are encouraged (but not required) to use online, radio, or other telecommunications tools whenever possible to conduct services
  9. Recreation Commission Activities (Sports):
    - Not allowed
  10. Parks, Public Spaces, and Playground Equipment:
    - Parks and public spaces are open, but use of playground equipment and picnic tables is prohibited
  11. Gyms and Fitness Centers:
    - Not allowed per state guidelines
  12. Public Swimming Pools:
    - Not Open
  13. Real Estate:
    - Individual showings are allowed
    - No open houses
    - All parties are encouraged to wear a mask in public
    - Maintain 6-foot distancing from others at all times
  14. Cruising:
    - Organized community cruising events are discouraged
  15. Community Events:
    - Must adhere to mass gathering (no more than 10 participants)/social distancing guidelines (participants 6-feet apart) is required and the wearing of cloth masks is recommended
    - The entity organizing the event is responsible for ensuring that all guidelines are being followed
    - Hand sanitizer should be readily available throughout the premises for the duration of the event

16. Education:

- Per KSDE and School District Guidelines

17. Acute Care and Non-Acute Care Medical Facilities and Clinics:

- Should follow CDC, CMS and State Licensing/Certifying guidelines specific to each facility (i.e. hospitals, day surgical centers, medical offices, urgent care facilities, walk-in clinics, dentists, chiropractors, eye doctors etc.)

18. Libraries:

- Have not been open

DRAFT

Phase 2 – May 4, 2020 earliest date possible

1. Mass Gatherings Limitations: 10 or less
2. Essential Businesses:
  - Screen staff for fevers and any symptoms of COVID-19 with a questionnaire at workplace entrance
  - It is strongly recommended that all employees wear masks at all times unless prohibited by other safety equipment
  - Move workspaces 6 feet apart
  - Stagger work shifts and keep work cohorts consistent
  - Common areas, such as breakrooms and lobbies, should be closed
  - Telecommuting/Working from home should be maximized
3. Restaurants and Bars:
  - In-restaurant dining is allowed and must adhere to social distancing guidelines (spacing of tables/booths/bar stools 6 feet apart). Due to varying sizes of restaurants each restaurant must ensure that the number of customers within the establishment does not exceed the restaurants ability to keep customers dining-in at a safe social distance.
  - Reservations are encouraged
  - Self-serve beverages and food items (such as salad bars/buffets) are not allowed
4. Retail Businesses:
  - Depending upon the square footage of the businesses each retailer must limit the number of customers in the store at any given time to ensure that the 6-foot social distancing requirement can be met
  - If the store reaches its capacity, customers should be admitted on a “1-out-1- in” basis
  - Provide shopping cart sanitation supplies
  - Maintain social distancing
  - Consider 1-way flow of movement through store indicated by floor marks
  - Employees are encouraged to wear masks at all times
  - Hand sanitizer should be readily available throughout the premises
  - Marks should be applied to the floor in the area adjacent to each cash register to indicate where to wait for check out
  - It is highly recommended that plexiglass or glass barriers be installed at checkout lanes
  - Enhanced cleaning should be done throughout the workday
5. Long-Term Care/Assisted Living Facilities:
  - Maintain social distancing as much as possible
  - Adjust the layout of common areas including dining facilities to maintain 6-foot between residents
  - Perform enhanced cleanings daily
  - Screen all employees for fevers and any symptoms of COVID-19 before they begin their shift
  - Staff should wear masks at all times
  - No outside visitors allowed

6. Childcare:
  - Childcare facilities must adhere to all KDHE childcare provider/facility guidelines
  - Outdoor activities are encouraged; use of commonly touched items such as playground equipment, toys, and sports equipment is discouraged.
  - Perform enhanced cleanings daily
  - Children should be cared for in rooms of 10 or less with the same caregiver each day and placed into cohorts so that the same children are in the same room each day.
  - Screen staff and children for fevers and any symptoms of COVID-19 with a questionnaire at facility entrance
  - Parents and caregivers should not enter the facility
7. Personal Services (salons, barber shops, massage therapist, pet grooming, any other personal service provider):
  - Services may be provided by appointment only
  - Both service provider and customer must wear masks
  - The business must keep a record of all customers (for contact tracing purposes should a positive COVID-19 case occur)
  - Appointments must be spaced so that there is adequate time to clean thoroughly between customers
  - One customer is allowed per service provider in the business at any given time and Salon chairs must be spaced at least 6-feet apart to ensure social distancing of customers
  - Customers must be screened, via questioning, for fever and symptoms of COVID-19 prior to services being offered
8. Religious Services:
  - Religious services should adhere to mass gatherings limitations (10 or less) and social distancing guidelines (6-feet between parishioners)
  - Parking lot services should follow established guidelines of social distancing (6-feet between parishioners)
  - Churches are encouraged (but not required) to use online, radio, or other telecommunications tools whenever possible to conduct services
9. Recreation Commission Activities (Sports):
  - Team practices which meet mass gathering limitations (10 or less) may begin/coaches should screen players, via verbal questioning, to rule out any fever or symptoms of COVID-19 at the beginning of each practice
  - Practice social distancing when possible (players and coaches 6-feet apart/parents should wait in their vehicles if possible)
  - Bleacher seating will be removed
10. Parks, Public Spaces, and Playground Equipment:
  - Parks and public spaces are open, but use of playground equipment and picnic tables is prohibited
11. Gyms and Fitness Centers:
  - Gyms/Fitness centers may be open provided that staff is on the premises through the duration of operating hours/it is recommended that staff wear masks if possible

- The business must keep a record of all customers using the facility (For Contact Tracing purposes should a positive COVID-19 case occur)
- Must adhere to social distancing guidelines, ensuring that people remain 6-feet apart at all times
- Equipment must be cleaned thoroughly between uses
- Customers must be screened, via verbal questioning, for fever and symptoms of COVID-19 upon entering the facility

12. Public Swimming Pools:

- Not Open

13. Real Estate:

- Individual showings are allowed
- No open houses
- All parties are encouraged to wear a mask in public
- Maintain 6-foot distancing from others at all times

14. Cruising:

- Organized community cruising events are allowed if all occupants of the vehicle reside in the same residence and vehicles do not stop and congregate

15. Community Events:

- Must adhere to mass gathering limitations (no more than 10 participants)/social distancing guidelines (participants 6-feet apart) is required and the wearing of cloth masks is recommended
- The entity organizing the event is responsible for ensuring that all guidelines are being followed
- Hand sanitizer should be readily available throughout the premises for the duration of the event

16. Education:

- Per KSDE and School District Guidelines

17. Acute Care and Non-Acute Care Medical Facilities and Clinics:

- Should follow CDC, CMS and State Licensing/Certifying guidelines specific to each facility (i.e. hospitals, day surgical centers, medical offices, urgent care facilities, walk-in clinics, dentists, chiropractors, eye doctors etc.)

18. Libraries:

- Are Open to the public
- Must maintain social distancing of 6-feet between visitors
- Must follow mass gathering guidelines of less than 10 people in the library at a time as long as space is adequate to ensure social distancing
- Staff and visitors are encouraged to wear cloth masks
- Hand sanitizer is available to the public
- Enhanced cleaning is performed daily

### **Phase 3 – May 18, 2020 earliest date possible**

1. Mass Gatherings Limitations: 25 or less
2. Essential Businesses:
  - Screen staff for fevers and any symptoms of COVID-19 with a questionnaire at workplace entrance
  - It is strongly recommended that all employees wear masks at all times unless prohibited by other safety equipment
  - Move workspaces 6 feet apart
  - Stagger work shifts and keep work cohorts consistent
  - Common areas can be reopened
  - Telecommuting/Working from home should be maximized
3. Restaurants and Bars:
  - In-restaurant dining is allowed and must adhere to social distancing guidelines (spacing of tables/booths/bar stools 6 feet apart). Due to varying sizes of restaurants each restaurant must ensure that the number of customers within the establishment does not exceed the restaurants ability to keep customers dining-in at a safe social distance.
  - Reservations are encouraged
  - Self-serve beverages are allowed but self-serve food items (such as salad bars/buffets) are not allowed.
4. Retail Businesses:
  - Depending upon the square footage of the businesses each retailer must limit the number of customers in the store at any given time to ensure that the 6-foot social distancing requirement can be met
  - If the store reaches its capacity, customers should be admitted on a “1-out-1- in” basis
  - Provide shopping cart sanitation supplies
  - Maintain social distancing
  - Consider 1-way flow of movement through store indicated by floor marks
  - Employees are encouraged to wear masks at all times
  - Hand sanitizer should be readily available throughout the premises
  - Marks should be applied to the floor in the area adjacent to each cash register to indicate where to wait for check out
  - It is highly recommended that plexiglass or glass barriers be installed at checkout lanes
  - Enhanced cleaning should be done throughout the workday
5. Long-Term Care/Assisted Living Facilities:
  - Maintain social distancing as much as possible
  - Adjust the layout of common areas including dining facilities to maintain 6-feet between residents
  - Perform enhanced cleanings daily
  - Screen all employees for fevers and any symptoms of COVID-19 before they begin their shift

- Staff should wear masks at all times
  - No outside visitors allowed
6. Childcare:
- Childcare facilities must adhere to all KDHE childcare provider/facility guidelines
  - Outdoor activities are encouraged; use of commonly touched items such as playground equipment, toys, and sports equipment is discouraged.
  - Perform enhanced cleanings daily
  - Children should be cared for in rooms of 15 or less with the same caregiver each day and placed into cohorts so that the same children are in the same room each day.
  - Screen staff and children for fevers and any symptoms of COVID with a questionnaire at facility entrance
  - Parents and caregivers should not enter the facility
7. Personal Services (salons, barber shops, massage therapist, pet grooming, any other personal service provider):
- Services may be provided by appointment only
  - Both service provider and customer must wear masks
  - The business must keep a record of all customers (for contact tracing purposes should a positive COVID-19 case occur)
  - Appointments must be spaced so that there is adequate time to clean thoroughly between customers
  - One customer is allowed per service provider in the business at any given time and Salon chairs must be spaced at least 6-feet apart to ensure social distancing of customers
  - Customers must be screened, via questioning, for fever and symptoms of COVID-19 prior to services being offered
8. Religious Services:
- Religious services should adhere to mass gatherings (25 or less) and social distancing guidelines (6-feet between parishioners)
  - Parking lot services should follow established guidelines of social distancing (6-feet between parishioners)
  - Churches are encouraged (but not required) to use online, radio, or other telecommunications tools whenever possible to conduct services
9. Recreation Commission Activities (Sports):
- Team practices which meet mass gathering limitations (25 or less) may begin/coaches should screen players, via verbal questioning, to rule out any fever or symptoms of COVID-19 at the beginning of each practice
  - Practice social distancing when possible (players and coaches 6-feet apart/parents should wait in their vehicles if possible)
  - Bleacher seating will be removed
10. Parks, Public Spaces, and Playground Equipment:
- Parks and public spaces are open, but use of playground equipment and picnic tables is prohibited

11. Gyms and Fitness Centers:

- Gyms/Fitness centers may be open provided that staff is on the premises through the duration of operating hours/it is recommended that staff wear masks if possible
- The business must keep a record of all customers using the facility (For Contact Tracing purposes should a positive COVID-19 case occur)
- Must adhere to social distancing guidelines, ensuring that people remain 6-feet apart at all times
- Equipment must be cleaned thoroughly between uses
- Customers must be screened, via verbal questioning, for fever and symptoms of COVID-19 upon entering the facility

12. Public Swimming Pools:

- Possibly open per State Guidelines
- Mass Gathering Guidelines of 25 or less must be followed
- Social Distancing requirements must be followed

13. Real Estate:

- Individual showings are allowed
- No open houses
- All parties are encouraged to wear a mask in public
- Maintain 6-foot distancing from others at all times

14. Cruising:

- Organized community cruising events are allowed and must adhere to mass gathering guidelines of 25 or less
- Social Distancing (6-feet between persons) must be maintained

15. Community Events:

- Must adhere to mass gathering limitations (no more than 25 participants)/social distancing guidelines (participants 6-feet apart) is required and the wearing of cloth masks is recommended
- The entity organizing the event is responsible for ensuring that all guidelines are being followed
- Hand sanitizer should be readily available throughout the premises for the duration of the event

16. Education:

- Per KSDE and School District Guidelines

17. Acute Care and Non-Acute Care Medical Facilities and Clinics:

- Should follow CDC, CMS and State Licensing/Certifying guidelines specific to each facility (i.e. hospitals, day surgical centers, medical offices, urgent care facilities, walk-in clinics, dentists, chiropractors, eye doctors etc.)

18. Libraries:

- Are Open to the public
- Must maintain social distancing of 6-feet between visitors
- Must follow mass gathering guidelines of less than 25 people in the library at a time as long as space is adequate to ensure social distancing

- Staff and visitors are encouraged to wear cloth masks
- Hand sanitizer is available to the public
- Enhanced cleaning is performed daily

DRAFT

## **Phase 4 – June 1, 2020 earliest date possible and will last 14 days at minimum**

1. Mass Gatherings Limitations: 50 or less
2. Essential Businesses:
  - Screen staff for fevers and any symptoms of COVID-19 with a questionnaire at workplace entrance
  - It is strongly recommended that all employees wear masks at all times unless prohibited by other safety equipment
  - Move workspaces 6 feet apart
  - Stagger work shifts and keep work cohorts consistent
  - Common areas remain opened
  - Telecommuting/Working from home should be maximized
3. Restaurants and Bars:
  - In-restaurant dining is allowed and must adhere to social distancing guidelines (spacing of tables/booths/bar stools 6 feet apart). Due to varying sizes of restaurants each restaurant must ensure that the number of customers within the establishment does not exceed the restaurants ability to keep customers dining in at a safe social distance.
  - Reservations are encouraged
  - Self-serve beverages and food items (such as salad bars/buffets) are allowed
4. Retail Businesses:
  - Depending upon the square footage of the businesses each retailer must limit the number of customers in the store at any given time to ensure that the 6-foot social distancing requirement can be met
  - If the store reaches its capacity, customers should be admitted on a “1-out-1- in” basis
  - Provide shopping cart sanitation supplies
  - Maintain social distancing
  - Consider 1-way flow of movement through store indicated by floor marks
  - Employees are encouraged to wear masks at all times
  - Hand sanitizer should be readily available throughout the premises
  - Marks should be applied to the floor in the area adjacent to each cash register to indicate where to wait for check out
  - It is highly recommended that plexiglass or glass barriers be installed at checkout lanes
  - Enhanced cleaning should be done throughout the workday
5. Long-Term Care/Assisted Living Facilities:
  - Maintain social distancing as much as possible
  - Adjust the layout of common areas including dining facilities to maintain 6-foot between residents
  - Perform enhanced cleanings daily
  - Screen all employees for fevers and any symptoms of COVID-19 before they begin their shift
  - Staff should wear masks at all times

- Outside visitors are allowed but must be screened for fevers and any symptoms of COVID-19 before entering the facility and must wear masks at all times:
  - The facility must also keep a record of all visitors for contact tracing purposes in the event that a COVID-19 case would happen within a long-term care/assisted living facility

6. Childcare:

- Childcare facilities must adhere to all KDHE childcare provider/facility guidelines
- Outdoor activities are encouraged; use of commonly touched items such as playground equipment, toys, and sports equipment is discouraged.
- Perform enhanced cleanings daily
- Children should be cared for in rooms of 15 or less with the same caregiver each day and placed into cohorts so that the same children are in the same room each day.
- Screen workers and children for fevers and any symptoms of COVID with a questionnaire at facility entrance
- Parents and caregivers should not enter the facility

7. Personal Services (salons, barber shops, massage therapist, pet grooming, any other personal service provider):

- Services may be provided by appointment only
- Both service provider and customer must wear masks
- The business must keep a record of all customers (for contact tracing purposes should a positive COVID-19 case occur)
- Appointments must be spaced so that there is adequate time to clean thoroughly between customers
- One customer is allowed per service provider in the business at any given time and Salon chairs must be spaced at least 6-feet apart to ensure social distancing of customers
- Customers must be screened, via questioning, for fever and symptoms of COVID-19

8. Religious Services:

- Religious services should adhere to mass gathering limitation (50 or less) and social distancing guidelines (6-feet between parishioners)
- Parking lot services should follow established guidelines of social distancing (6-feet between parishioners)
- Churches are encouraged (but not required) to use online, radio, or other telecommunications tools whenever possible to conduct services

9. Recreation Commission Activities (Sports):

- Competitive team events may begin but must meet mass gathering limitations (50 or less) and coaches should continue to screen players, via verbal questioning, to rule out any fever or symptoms of COVID-19 prior to each event
- Practice social distancing when possible (players and coaches 6-feet apart/parents should watch from their vehicles if possible, if this is not possible event facilitators/coaches must ensure that spectators remain 6-feet apart to ensure social distancing). It is recommended that event facilitators/coaches coordinate an online

viewing option (i.e. Facebook Live or other venue) to ensure that gathering limitations of 50 or less are maintained.

- Bleacher seating will be removed

10. Parks, Public Spaces, and Playground Equipment:

- Parks and public spaces are open
- Playground equipment and picnic tables may be used

11. Gyms and Fitness Centers:

- Gyms/Fitness centers may be open provided that staff is on the premises through the duration of operating hours/it is recommended that staff wear masks if possible
- The business must keep a record of all customers using the facility (For Contact Tracing purposes should a positive COVID-19 case occur)
- Must adhere to social distancing guidelines, ensuring that people remain 6-feet apart at all times
- Equipment must be cleaned thoroughly between uses
- Customers must be screened, via verbal questioning, for fever and symptoms of COVID-19 upon entering the facility

12. Public Swimming Pools:

- Open per State Guidelines
- Mass Gathering Guidelines of 50 or less must be followed
- Social Distancing requirements must be followed

13. Real Estate:

- Individual showings are allowed
- No open houses
- All parties are encouraged to wear a mask in public
- Maintain 6-foot distancing from others at all times

14. Cruising:

- Organized community cruising events are allowed and must adhere to mass gathering guidelines of 50 or less
- Social distancing (6-feet between persons) must be maintained

15. Community Events:

- Must adhere to mass gathering limitations (no more than 50 participants)/social distancing guidelines (participants 6-feet apart) is required and the wearing of cloth masks is recommended
- The entity organizing the event is responsible for ensuring that all guidelines are being followed
- Hand sanitizer should be readily available throughout the premises for the duration of the event

16. Education:

- Per KSDE and School District Guidelines

17. Acute Care and Non-Acute Care Medical Facilities and Clinics:

Should follow CDC, CMS and State Licensing/Certifying guidelines specific to each facility (i.e. hospitals, day surgical centers, medical offices, urgent care facilities, walk-in clinics, dentists, chiropractors, eye doctors etc.)

18. Libraries:

- Are Open to the public
- Must maintain social distancing of 6-feet between visitors
- Must follow mass gathering guidelines of less than 50 people in the library at a time as long as space is adequate to ensure social distancing
- Staff and visitors are encouraged to wear cloth masks
- Hand sanitizer is available to the public
- Enhanced cleaning is performed daily
