

Lake Ozark Fire Protection District

1767 Bagnell Dam Blvd. Lake Ozark, Missouri 65049

Phn# 573-365-3380 Fax# 573-365-3758

For immediate release – Lake Ozark, MO - March 20th, 2026, at 12:44, the Lake Ozark Fire Protection District was dispatched to the report of a residential structure fire in the area of Scenic Road. En route, responding units were notified that there were two homes on fire. First arriving units found 3 homes and a small outbuilding on fire. In addition, a small natural cover fire had started as a result of the structure fires. Units began exterior operations using hose lines. A water supply was established using tankers and the District fire boat. The fires in all buildings were under control in approximately 2 hours. Units confirmed all homes were unoccupied at the time of the fire. The District received assistance from Sunrise Beach Fire Protection District, the Osage Beach Fire Protection District, the Eldon Fire Department, the Moreau Fire Protection District, and the Miller County Ambulance. Units from the Mid-County Fire Protection District and Cole County EMS staged in the District while personnel from the Lake Ozark Fire Protection District returned to staff apparatus to maintain coverage. Damage estimates are in excess of \$1,000,000. The origin and cause of the fire is being investigated by the Missouri Division of Fire Safety. No further press releases are planned at this time.
