

# BEST DAY OF THE WEEK TO BUY GAS, BY STATE

**Methodology:** GasBuddy analyzed daily statewide average gasoline prices over the past year and normalized prices within each week to identify consistent weekday pricing patterns independent of seasonal trends. Estimated savings reflect the typical difference between each state's cheapest and most expensive weekdays and do not include additional savings from shopping around or Pay with GasBuddy+ discounts.

State	Best Day	Worst Day	State	Best Day	Worst Day
Alabama	Sunday	Wednesday	Montana	Tuesday	Saturday
