To Whom It May Concern:

I am writing to submit my resignation from the Columbia Public Schools Board of Education effective July 13, 2026. I am moving in August to accept a new job and will no longer live within the eligible boundaries.

Twice, in April of 2021 and April of 2024, voters shared their confidence in me by voting and selecting me to serve in this position. It has been a true privilege to be part of the work this board has done for over five years in supporting and advocating for public education generally and our Columbia public schools specifically. I am proud of the many accomplishments of the students, teachers, and staff of our district. Columbia is a community that cares about education and I leave knowing that the other current board members share a commitment to helping every child in our district succeed.

To the community: thank you for your trust in me. And to my colleagues: thank you for the opportunity to do this important work together.

With much gratitude,

Jeanne Snodgrass
