BUYER'S GUIDE

LAKE JAMES ASSOCIATION, INC.

Connection • Community • Celebration
PO Box 1071, Angola, IN 46703

Our Mission is to aid and promote the enhancement and preservation of lake resources, land use, and recreational opportunities of Lake James, Steuben County, Indiana.

A Thank You to Our Members

We are grateful for your continued support throughout the years. Your membership, participation, and generosity are invaluable. Because of you, we are able to create and preserve the traditions, experiences, and unforgettable lake memories for generations to come.

A More Connected Lake Experience

Over the past year, we've updated our membership platform and website, creating a more accessible and user-friendly experience. From joining and renewing your membership to exploring events, supporting lake initiatives, and staying informed - everything you need is at your fingertips. We are excited about what's ahead as we continue building a stronger, more connected Lake James community.

Brittany Hartman

Stay Connected with Lake James

Everything you need - just a scan away

Visit our Website

Our website is your central hub for everything Lake James; events, resources, and way to get involved.

Join or Renew Your Membership

Update your information, manage your membership, and stay connected to what's happening on the lake. Use the email where you receive our newsletter, create a secure password, explore and update your member profile.

Support the Lake

Your generosity helps make so much possible. From the Fourth of July fireworks to protecting water quality and supporting future generations through scholarships, every contribution makes a meaningful impact. You may donate through our donate option or when renewing your membership.

Explore What's Happening

Lake James is more than a place – it's a community. From the Patriotic Night Flotilla, Sandbar Socials, and Paddle Quest, our events bring neighbors together and create lasting memories. We especially love our sponsored Antique Boat Show and Indiana Seaplane Splash-In.

Share Your Lake Photos

Every photo tells a story. Whether it's a quiet morning on the water, a sunset with friends, or a family tradition, your moments help to capture the spirit of Lake James. Submit photos to your LJA profile or through this QR code.

Explore our History

Lake James is rich with history and tradition. Use the QR code to purchase your copy of A History of Lake James.

Stay connected. Stay involved. Be part of Lake James.

Support your Lake James Events

Our members love supporting businesses that give back to our lake...

Meet your lake friends and neighbors at “The Sandbar” on the first basin of Lake James 3 Thursday evenings this summer from 5-8 PM. Enjoy live music, LJA giveaways, free raffles, and kid’s prizes! As always, no need to cook, the Galley’s grill will be hot and ready to serve you dinner!

June 18th - Featuring Staci Stork!!!

Staci returns by popular demand to kick off the Summer Sandbar Social Season! A highly respected and accomplished country singer-songwriter known for her powerful and emotive voice. Whether you’re listening to her unique and interesting versions of classic and popular songs, her unique blend of traditional country influences and contemporary sound has established her in the country music scene.

July 16th - Featuring Sunny, Teresa along with the full band of Whoa, Man!!!

Sunny and Teresa of Whoa, Man! making their sandbar debut! Expect danceable, anthemic songs from the most influential female rockers of the last six decades taking you back to your youth promising to melt your little rock-n-roll heart...with songs from Stevie Nicks, Heart, Joan Jett, Janis Joplin, The Go-Gos, Melisa Etheridge, Blondie, The Cranberries, Carole King, Lita Ford and more!!!

August 20th - Featuring Hubie & Travis!!!

Hubie Ashcraft and his fiddling counterpart Travis Gow are excited to entertain LJA! They’re a combo known for playing energetic live performances that include Rock, Americana and Country, infused with pop sensibilities, comedy & fun to accompany their authentic lyrics. An evening you do not want to miss!!!

Please consider showing your individual, family or business support to all of our Lake James neighbors or friends, while helping LJA continue our mission. Become a member, donate a raffle prize, be a sponsor or encourage your neighbors to have fun and get involved!!!

LAKE JAMES CENTENNIAL COTTAGES

By Jim Somers

For those building a Lake James cottage a century ago, it must have been a daunting task. After finding a lot, you had to arrange for the transportation of your construction materials. Sometimes it was brought by barge, since the roads were not in place. Cottage foundations were often formed by rocks or tree stumps. If you were lucky with sufficient help, you could build a small cottage in a few weeks.

Neighbors helped neighbors with many of these chores. You soon found that your neighbors were long-lasting; their jobs might move from one town to another but they would generally keep the cottage. Many neighbors at Lake James have known each other for more than 50 years. You have bought a community, not just a cottage.

The cottages soon became anchors for the families. They brought their parents, kids, and grand-kids to the lake. They shared in the family events, and did cottage chores. The more of themselves that they put into the lake property, the more joy they experienced. That is when a house becomes a cottage.

Over the years, there have been some Lake James Cottages that have resisted time. Over the years the owner became attached to the simplicity and charm of the original structure and maintained it with that in mind. To this point, we have identified 31 Centennial Cottages still standing on Lake James. These are at least 100 years old and have been found to be recognizable (beyond the usual porch enclosure or upgrading of kitchens and bathrooms). We have recently created an additional category of Centennial Family, recognizing those families who have owned their property for 100 years, even though it may be remodeled.

Lyman 115 Ln105a

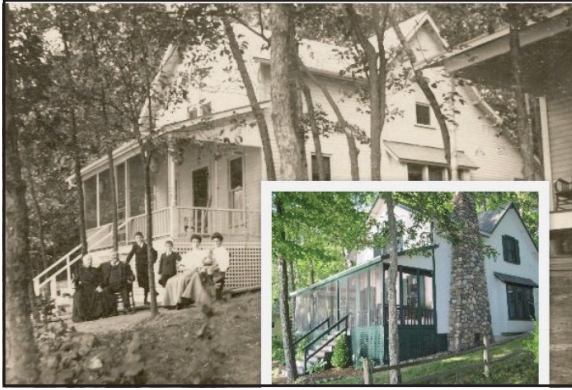

Built in 1900 by a Ft. Wayne General Electric Superintendent, the Lymans bought this charming cottage in 1986. It has windows that slide up into the upper wall. They have added Victorian touches such as a side porch and a beautiful garden.

Willig 1060 Ln105

Sunset Cottage was built in 1909. Joe Willig, Senior, had a hand in the cobblestone construction on Lone Tree Point. A second smaller cottage is part of the property. The Willig family is a long-time supporter of Lake James.

Miller 1200 Ln105

The Seidel/Miller cottage was erected in 1906. The family looks after the structure, which is immaculately original except for adding a fireplace to gain warmth in the fall.

Gallaway/Rider 1260 Ln105

This cottage was built in 1909, according to a note scrawled on an upstairs rafter. The cottage is called Pair-O-Dice, after the dice images in the fieldstone wall.

Mountz 1320 Ln105

This cottage was built in 1907 by laying stringers on tree stumps and nailing half-logs to wall studs. The name, Stony Beach, came from a reference in a postcard.

Adams 1340 Ln105

Since 1907 this cottage was used as a depot for the boat to bring supplies and passengers from Palmytown. It has had three names over the years: Nickel Plate, Mauna Lei, and Wakama.

Wiegman 1420 Ln105

Built in 1912 on nail kegs, there was a water pump in one corner and an outside rain barrel for wash water. The cottage is still on its footprint except for a small side porch addition.

Bressler 1500 Ln105

After getting a deal on a cottage lot, John Bressler's grandfather built the cottage in his back yard, disassembled it, and reassembled it at Lake James in 1924. This 16 X 33 frame seasonal cottage has slept 16 people. The shingle siding is original.

Huffman 1520 Ln105

The Hoetzer/Baker/Huffman cottage was built in 1909. The boathouse (now gone) had rails to roll the boats inside. The girls pictured on the back of the LJ History book are likely standing on the Baker dock. The cottage was popular with fishing clubs.

Griffiths 160 Ln105b

The Hunter-Corson-Griffiths cottage was built by Orndorf in 1905 as the first on Lone Tree Point. The Hunters bought it in 1936 and named it Hunter's Rest. The cottage has been tastefully replaced in recent years; larger, but in a similar design.

Murch 75 Ln200a

This cottage, likely built in 1920, used to have a twin next door. Two levels of porches and unobstructed windows give a spectacular view of the lake past the old trees.

Weller 40 Ln200

This Centennial Family's cottage is owned and shared by 40 Wellers scattered across the country. They helped establish the Lake James Lutheran Chapel. They are particularly skilled in music.

Robison 435 Ln200e

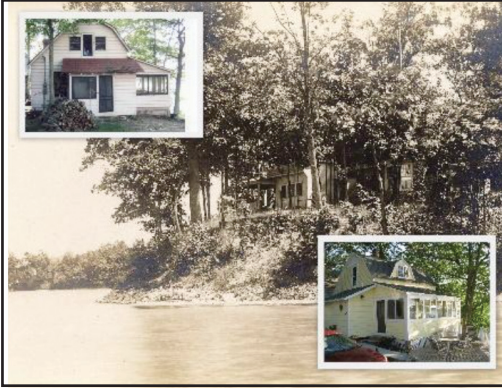

After the cottage was built by her grandfather in 1921, Helen Gallmeier maintained a history of Red Sand Beach. Niece Sandy Robison and her husband Max tend to the cottage, which is on its original footprint. Siding has changed but it remains a summer cottage.

Fahlsing/Ball 395 Ln200e

The Letter Carrier's cottage. Lew Nichols, a Fort Wayne Letter Carrier, held a carrier's outing there in 1912. Two neighbors were also carriers.

Wagler 140 Ln240fd

This 1907 cottage on Bankhead Point was named Little Windover. It is perched on the edge, high among the oaks. It was purchased by the Waglers in 2008 and lovingly restored.

Prochaska/Strieter 160 Ln200fd

Bankhead was built in 1905 by Elizabeth Hubbard. Her father, George Jordan, is likely pictured in the rocking chair. Bankhead is original, including the cobblestone fireplace and cobblestone garage patio. It has been remarkably protected by a succession of kindly owners.

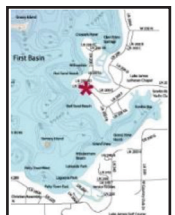

Kornfield/Wild 35 Ln200fd

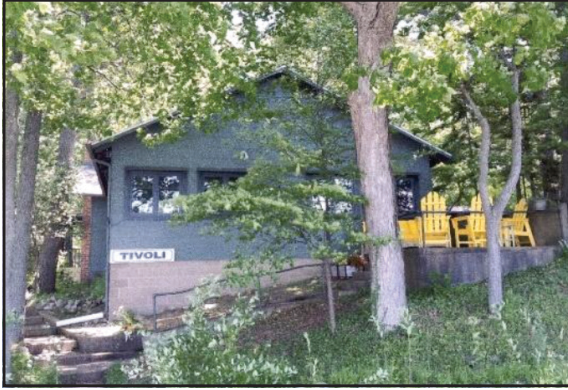

This original craftsman-style cottage was built in 1917 by Angola Mayor Orville Stevens. In the summer, he would row over to Paltytown to catch the train to Angola. Miriam married theatre owner Robert Brokaw. She was a dear music teacher to many.

Andres 15 Ln200fd

Built in 1920, the Andres family bought this seasonal cottage in 1948. The four grandchildren maintain it, including one family that drives here from Pittsburgh. The sloped roof frames a fine view of Kemery Island.

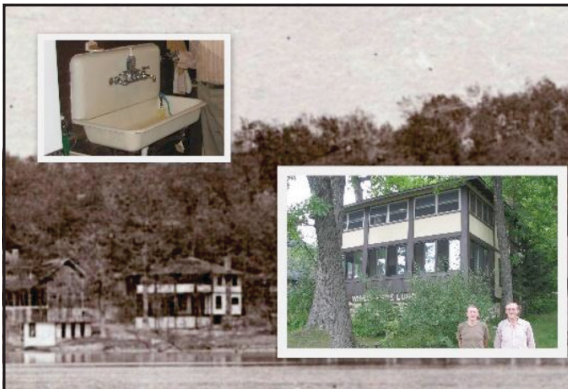

Andersen 80 Ln200fb

Tivoli was previously known as Bidawee. In 2012, Thomas and Kelly became the fourth generation of their family to own it. Their maintenance shows an effort to retain the original character of the cottage.

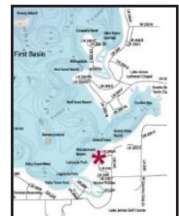

Corell 100 Ln200fb

The Corell cottage, named Overlook, is on the bluff at the entrance to Sowles Bay. We found it in a 1909 Angola postcard, sporting a bench advertising "Patterson's Good Goods." Patterson was an Angola merchant.

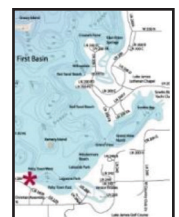

James 195 Ln242

Windemere Lodge was built in 1917 and purchased by the James family in 1923. The cottage is original except for enclosing the porch and adding a fireplace. Rodney jokes that a Chinese character carved in the boathouse says, "you're going to have to work on this place for the rest of your life."

Gentz 280 Ln280

The Brames/Gentz cottage has a date of 1900. At one time, the Bill Blass family (the fashion designer) owned it. The Van Allen/ Brames family subsequently owned it for 5 generations. The name, "Caravan" comes from maternal grandparents having the names Caroline and Van.

Meyer 286 Ln280

The Meyer cottage has a date from the county of 1898. The Meyers acquired the cottage in 1973, and named it "West of Wallahai" which is west of a relative's cottage in Glen Eden. The porch has been enclosed.

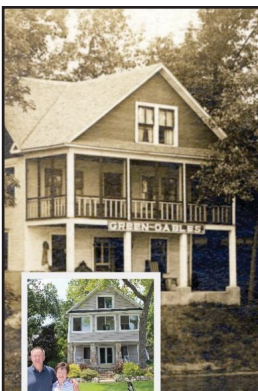

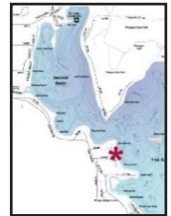

Young 340 Ln280

The Young cottage has a 1900 date from the county; advertising boards in the attic suggested it may have been a grocery at one time. Except for an addition to the back, and enclosure of a porch, the footprint has been unaltered.

Zoll 140 Ln375b

The Zoll cottage was found pictured in a 1908 postcard. At the time, it was owned by newspaperman Oscar Rakestraw. It was called Pamazadu, and later renamed Wavecrest when Wilbur Bledsoe owned it. The Zolls bought it in 1989; it has the same footprint.

Michaelis 60 Ln375ba

Green Gables was the name given to this cottage which was on a 1911 postcard. Some previous owners have been the Elzays, Kloozes, and Viehmanns. The current owners, Richard and Julie Michaelis, were on their third date when they visited there. The cottage is on its original footprint. The upper porch has been enclosed.

Olson 80 Ln375ba

This cottage was the Lake James Fishing and Boat House Club in 1902. The purchase mandated a road be built across the marsh, which led to Long Point being renamed as Spring Point. The upper porch has been enclosed. It has a cobblestone side porch and a spectacular view. Brian Olson purchased the cottage from the Bowmans, who have had it since 1937.

Wilson 35 Ln470b

The Wilson cottage is thought to have been built before 1909. When the Wilson grandparents bought it in 1923, they named it the St. Moritz after their great-grandfather. It was shared with aunts; twenty-six people once stayed there for 2 weeks by making all the men sleep downstairs or in cars.

Cupp 140 Ln470

In the early 1900s, Jim Weldon and his friend, Herman Hilker, built cobblestone cottages side by side in Roby Place. Jim married Herman's sister, Adella. Subsequent owners of the Weldon property were the Zent family, and later the Cupp family. The cottage has been carefully preserved and except for an enclosed porch, looks much as it did.

Lohse 20 Ln490a

Originally called the Lookout Club in 1909 when owners of the Pennsylvania Railroad Shops built it. Chiropractor Arthur Lohse bought it in the 20s and converted the seven bedrooms into a health clinic. He would have his kids swim in a hole in the ice to keep them "healthy." The Lohse family survives!

Hathaway 80 Ln510fa

Lakeside cottage was built by 1914. Elaine Hawkins was an early owner; the Steuben County Lakes Council was born here. Mel and Sandy Hathaway became owners in 1992. At the side, there is a tiny guest cottage. Over the years, the main cottage front porch has been enclosed.

The Steuben County Community Foundation plays a unique role in making this community the best it can be for the people who call it home.

We believe in the *pulse* of our work and *humanizing* the process of holding funds for donors, making grants for local nonprofits, and connecting community members to pay it forward, lift one another up, and make our community positioned for a brighter tomorrow.

0100 N 250 W | LaGrange, IN 46761

Mon.-Thurs. 6 AM - 4 PM • Fri. 6 AM - 3 PM • Closed Sat. & Sun.

Fax: 260-499-5178 Email: salesdlmetal@outlook.com

- Metal
- Lumber
- Trusses
- Hardware
- Tools

YOUR ONE STOP SHOP FOR ALL THINGS IN POST FRAME

DO YOU NEED A NEW ROOF OR POLE BARN?

CALL US TODAY FOR A FREE ESTIMATE!

GREAT SELECTION OF TOOLS

- Three-sided PermaTech cap layer resists fading.
- The flat-profile bottom provides a sturdy feel, reminiscent of traditional lumber.
- Strong composite construction resists splintering, rotting, cracking, insects and decay.

WE ALSO HAVE KAMADO JOE CHARCOAL GRILLS

Electric Pellet Grill

Several different flavors of pellets available to season your food! You can set the grill manually, or with your phone, walk away, and let it do its thing!

The Pier Place builds and installs the best looking and longest lasting piers on the lakes. That is why they call us

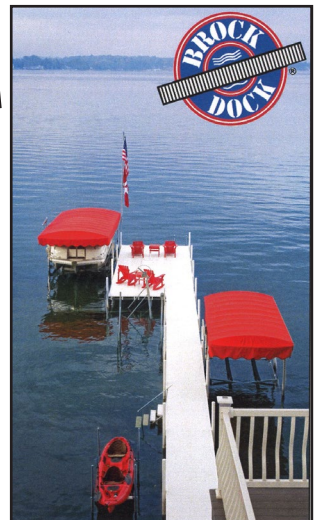

The King of Piers!

The Pier Place: Piers, boatlifts, personal watercraft lifts.

- We can design a custom pier to fit your specific needs.
- We can install or remove your existing pier or lift.
- We are fully insured.
- The Pier Place can repair or redesign your existing pier or lift.
- We have a full-service retail store of parts and accessories

Shore Station provides: heavier materials, stronger winches, better cables.

(260) 665-0026

Fax: (260) 665-0028 • info@thepierplace.com

2026 ANTIQUE BOAT AND CAR SHOW

The Antique Boat and Car Show will be held on July 25, 2026 from 9-4. It is held at the channel near the Lake James/Jimmerson Lake bridge (120 Lane 447 Lake James). It will be a fun-filled day featuring artists, vendors, food trucks, live music and activities for kids. The Indiana Chapter boat club will be traveling Thursday to Lake Wawasee and Friday on Lake James for fun days of pre-event boating. The featured boat this year will be a 19', 1951 Chris Craft Racing Runabout. This boat was recently restored by Motor Boat Garage in Cincinnati, OH. Spread the word and we hope to see everyone at the boat show!

24TH ANNUAL INDIANA SEAPLANE SPLASH-IN

Get ready for an unforgettable day of aviation excitement at the 24th Annual Indiana Seaplane Splash-In! Come witness the thrill of seaplanes taking off and landing on Lake James, meet pilots from across the Midwest, and get an up-close look at these incredible aircraft. Want to take your experience to the next level? Sign up at the announcement booth for a chance to take a ride in a seaplane and see the lakes from a whole new perspective!

When: Sunday, September 27, 2026

Where: Pokagon State Park, Potawatomi Inn, Front Lawn

Time: 8:00am - 3:00pm

Boaters - please be mindful of the seaplane takeoff and landing waterway marked by orange buoys extending out from the front lawn of the Potawatomi Inn and minimize boat wakes in courtesy of safe seaplane operations.

For more information, please contact ISPA's President, Zack Willig, at zack.willig@gmail.com.

LAKE JAMES ASSOCIATION

Supports

INDIANA BOATING LAWS

As a boater on Lake James, it is our responsibility to acknowledge and provide a safe boating experience for all, for you and your guests and for others who enjoy the lake also. Many of these responsibilities are directly covered by State of Indiana boating laws.

Careful and Prudent Operation: 14-15-3-3

A person operating a boat shall operate the boat in a careful and prudent manner, having due regard for the following:

1. The rights, safety and property of other persons.
2. The conditions and hazards, actual and potential, then existing including weather and density of traffic.
3. Possible injury to the person or property of other persons.

Dangerous Operations: 14-15-3-6

A person may not operate a boat in a manner that does any of the following:

1. Unnecessarily endangers the person or property of another person.
2. Unnecessarily interferes with the safe and lawful use of public waters by another person.
3. Unnecessarily interferes with or obstructs a special event sanctioned or otherwise legally permitted by the department, another State or the United States.

Approaching Or Passing Other Boats: 15-15-3-14 & 15

A person operating a boat shall observe the traffic rules:

1. When two (2) boats are approaching each other, each boat shall bear to the right and pass the other boat on the boat's left side.
2. When two (2) boats are approaching each other obliquely or at right angles, the boat on the right has the right-of-way. However, when one (1) boat is under sail or is nonmotorized, the sailboat or nonmotorized boat has the right-of-way.
3. A boat may overtake and pass another boat on either side if the passing can be done with safety and within the assured clear distance ahead, but the boat overtaken has the right-of-way.
4. A boat leaving a dock, a pier, a wharf, or the shore has the right-of-way over all boats approaching the dock, pier, wharf, or shore.
5. A person operating a motorboat may not approach another boat in such a manner or at such a rate of speed as to create a hazardous wake or wash.

Violations: 14-15-1-31

1. A person who violates section 2,3,5,7,8,8.1,9,10,14,15,16,17,20,22,23,24,25,26, 27,28,29,or30 of this chapter commits a Class C infraction.
2. A person who knowingly or intentionally violate section 6 of this chapter commits a Class C misdemeanor.

Enforcement Powers of Law Enforcement Officer: 14-15-10-1

Indiana law enforcement officers shall enforce the following:

1. This article
2. Rules adopted by the department under this article.

The unexcused violation of a statute constitutes negligence. This means you can be held personally responsible if you violate one of the above statutes and harm a person or property.

Respecting others and their property is not only the right thing to do, it is the law.

LAKE JAMES ASSOCIATION

Promoting

SAFE BOATING ON LAKE JAMES

www.lakejames.org

One of Lake James Association's goals is to provide safe recreation opportunities, including information and training of Boating Safety Laws. It is every boat operator's responsibility to be aware of these laws.

Registration: IC 9-31-3

Motorboats must be registered and numbered with those numbers clearly displayed on both sides of the boat. No other numbers are to be displayed. The numbers must contrast sharply with its back-ground, at least 3" high and read from left to right.

Age Restriction: IC 14-15-11-9

The individual operating the boat with an engine rated over ten (10) horsepower must hold a valid driver's license, or if at least 15 years of age, hold an identification card indicating successful completion of the DNR-approved boating education course.

Capacity Plate:

Always check the capacity plate, which is usually found near the operator's position, indicating the maximum number of people that the vessel can carry safely.

Personal Flotation Devices: IC 14-15-2-6

All boats must carry one wearable US Coast Guard approved PFD (Type I, II, III, or V) for each person onboard or being towed. In addition, vessels 16' or longer, must have at least one readily accessible Type IV USCG-approved throwable PFD.

Navigation Lights: IC 14-15-2-11 & 12

Boats must be equipped with operable and proper navigational lights when away from the dock between sunset and sunrise and/or restricted visibility. Boats with an engine over 15 HP must display at bow a green light on the starboard side and a red light on the port side as well as a white light aft. Boats less than 15 HP are required to display a white stern light. No other lights that may be mistaken for navigation lights may be exhibited.

Environmental Awareness: IC 14-15-2-8

Consider the effect you may have on the environment when operating the boat. Operate at slow speed when operating near shorelines. Do not throw any litter, filth, or unwholesome substance in the water or lake banks. It is a DNR recommendation to prohibit feeding of ducks, geese or swans as it encourages them to feel safe around humans and is a real problem for water quality.

Wake Boarding/Wake Surfing IC 14-15-3-8.1

An individual shall not operate a motorboat on a public freshwater lake for the purpose of wake boarding or wake surfing during the period between sunset and sunrise. Effective July 1, 2026

Speed Limits:

Do not operate a motorboat or PWC between sunset and sunrise at speeds in excess of ten (10) miles per hour. Requested idle speeds and no wake buoys means do not exceed five (5) miles per hour.

Legal Distance from Shore:

Do not operate a motorboat within two hundred (200) feet of shore unless leaving or approaching the dock or shore, or as active fishermen trolling. Do not operate a motorboat while approaching or leaving a dock or shore at a speed other than idle.

Reckless Operation:

Operating a motorboat must take into consideration the rights, safety and property of others. Maintain a constant lookout for unsafe operators. Do not operate at excessive speed that may cause an accident or damage property. Do not operate a motorboat while under the influence of alcohol or drugs.

Emergency:

In case of an emergency, call 911. To report a problem or in need of immediate assistance, contact Steuben County Sheriff's Office at 260-668-1000, extension 5000.

LAKE JAMES ASSOCIATION

PO Box 1071 • Angola IN 46703

www.lakejames.org

FIREWORKS PROHIBITIONS

In unincorporated Steuben County, which includes all of Lake James, the use of consumer fireworks* is prohibited on any day other than the following:

June 29 through July 3

Between 5:00 p.m. and two hours after sunset

July 4

Between 10:00 a.m. and midnight

July 5 through July 9

Between 5:00 p.m. and two hours after sunset

December 31 – January 1

Between 10:00 a.m. on December 31 and 1:00 a.m. on January 1.

Anyone discharging fireworks at any other time commits a Class C infraction and shall be fined in an amount of \$100 for each violation.

The Sheriff's Office is charged with enforcing this ordinance. Call 911 to report any violations.

*Consumer fireworks are almost every firework. They include: aerial devices, including, but are not limited to, skyrockets, salutes, missile type rockets, helicopter and aerial spinners, roman candles, mines and shells; and, firecrackers, salutes and chasers. See the ordinance for the complete description.

(Steuben County, Indiana, Code of Ordinances, Title IX, Chapter 97. Fireworks.)
