LOCATION

Brooklyn's Playground

at OK Ward Park, 1400 W. Quinn Rd., Pocatello, ID

Join us for the 10th Anniversary of Brooklyn's Playground to celebrate the amazing accomplishment of the community to bring an inclusive playground to our area. This playground has served thousands and thousands of people over the last 10 years and we want it to continue to do so for many more decades to come. This event will help us raise money for long-term surface and equipment repairs. We are also holding a Memorial Walk in behalf of the late Maria Neumann who did so much for this project and many others.
