Boards, Commissions, and Like Entities Annual Report to the Legislature as of June 30, 2025

October 2025

Audit Control # 80250012

Summary

The purpose of this report is to summarize information provided to the Division of Administration (Division) by boards, commissions, and like entities (Boards). Louisiana Revised Statute (R.S.) 24:513.2(E) requires the Legislative Auditor to submit annually to the Legislature a report containing summary financial information and personnel data on Boards included in the database. The statute provides for the Legislative Auditor to report findings and recommendations resulting from an analysis of the information. Our findings and recommendations are categorized as follows:

- **Boards & Commissions Website** – The Boards & Commissions website is located at <https://wwwcfprd.doa.louisiana.gov/boardsandcommissions/home.cfm>. The accuracy of the information available is solely dependent upon the timeliness and accuracy of the Boards' data entry.
- **Number of Boards Reported** – As of June 30, 2025, the website contained information on 489 Boards, which is a net decrease of two from the previous year.
- **Boards Providing No Response** – We identified one Board that did not respond to requests for personnel data and financial information. The Division sent notices of noncompliance to the respective legislative committees as required by R.S. 49:1301. The Legislature may wish to consider taking action against Boards that fail to comply with the reporting requirements in state law.
- **Inactive Boards** – We identified 19 inactive Boards that do not appear to be fulfilling their established functions. Fifteen of these inactive Boards were also identified as inactive in the prior year. We recommend that the Legislature consider abolishing these Boards or taking other actions (additional legislation, appropriations, or board appointments) to assist them in fulfilling their established function.
- **Board Activity** – We identified 37 Boards that reported their status as active but have not reported any meeting notices or minutes subsequent to December 31, 2021. Also, 11 of these Boards have no board members identified on the website. We recommend that the Division continue to

work with these Boards to ensure they are appropriately reporting their status and complying with the reporting requirements in state law to make their meeting notices and minutes available on the website.

- **Board Per Diem, Salaries, and Travel Expenses** – For fiscal year 2025, Boards budgeted approximately \$1.5 million for Board member per diems, \$2.6 million for Board member salaries, and \$2.6 million for Board member travel expenses.

Boards & Commissions Website

R.S. 49:1301 requires the Commissioner of Administration to establish and maintain a website containing information on Boards:

<https://wwwcfprd.doa.louisiana.gov/boardsandcommissions/home.cfm>.

The accuracy of each Board's self-reported information available on this website is solely dependent upon the timeliness and accuracy of each Board's data entry. As a result, anyone attempting to access information about current budgets or expenses for a specific Board may instead retrieve information that is outdated or inaccurate.

We recommend that the Division continue to work with our office regarding the identification of Boards to be added or removed from the database and the form and content of the database fields. We are available to meet with the Division to discuss updates and/or improvements to the website database.

Number of Boards Reported

As of June 30, 2025, the website contains information on 489 Boards (see Appendix B), which is a net decrease of two from the previous year. This net figure reflects the addition of 19 Boards and the removal of 21 Boards.

Boards Providing No Response

R.S. 24:513.2(F) directs all agencies, boards, commissions, and departments of the state and its political subdivisions to furnish information and reports as requested by the Legislative Auditor to fulfill his responsibilities. All Boards were requested to provide contact information, membership information, and statutory or legal authority relative to the entity.

R.S. 39:1335 and 1336 require licensing agencies to provide summary and detailed information pertaining to actual and budgeted revenues by source, expenditures by category, and fund balances; performance indicators; and certain general information pertaining to the Board and its authority and functions.

All other Boards were requested to provide similar information, except that the financial and budget information was requested in summary form only, and information pertaining to performance indicators was not requested.

In addition, notice of the Board's failure to respond was sent to the state department of which the Board is a part, the Senate Committee on Senate and Governmental Affairs, the House Committee on House and Governmental Affairs, and the oversight committees for the Board. The Legislature may wish to consider taking action against the Board for failure to comply with the reporting requirements in state law.

Board Activity

A Board that has not held meetings for an extended period of time may indicate that the Board is not fulfilling its established function(s) or is no longer necessary.
