

TALK SAVES LIVES TRAINING

APRIL 28th 6:00-7:15, held at
BILLINGS PUBLIC LIBRARY
510 North Broadway
FREE TO THE PUBLIC

Talk Saves Lives: *An Introduction to Suicide Prevention* is AFSP's flagship suicide prevention education program that covers the scope of this leading cause of death, what the research has found to be the warning signs and risk factors of suicide, and the strategies that prevent it. Our goal was to reduce the stigma and myths surrounding mental health by educating our communities, save lives and bring hope to those affected by suicide.
