Statement of Probable Cause Continued:

On 10/29/2026 at approximately 0608 hours, Trooper J. George #10910 was traveling northbound on Interstate 19 near KM-84 when his rear radar alerted to a vehicle traveling at a high rate of speed. Trooper George observed a white BMW SUV rapidly approaching from the rear, weaving through traffic while changing lanes. Trooper George confirmed the vehicle's speed on radar at 120 MPH in a posted 75 MPH zone. Near KM-87, Trooper George activated his emergency lights and siren to conduct a traffic stop. The driver failed to yield and instead accelerated away from the marked patrol vehicle. Trooper George accelerated to his patrol vehicle's governed speed of approximately 121 MPH; however, the white BMW SUV continued pulling away and increasing the distance between itself and the patrol vehicle. Trooper George advised dispatch he was in pursuit. During the pursuit, the driver continued northbound, weaving through light traffic and passing multiple vehicles while attempting to evade law enforcement. Near KM-92, the vehicle exited the freeway via the northbound off-ramp. Due to the vehicle leaving the freeway, Trooper George advised dispatch he was terminating the pursuit in accordance with policy. As Trooper George deactivated his siren, he observed the vehicle lose control and crash on the off-ramp. The driver was detained and identified through an Arizona identification card as Gilberto Bustamante Jr. Based on Trooper George's observations, there is probable cause to believe Gilberto Bustamante Jr. knowingly fled from and attempted to elude a marked law enforcement vehicle after being given visual and audible signals to stop. Additionally, the vehicle was operated at a speed of 120 MPH in a posted 75 MPH zone and a juvenile passenger was present in the vehicle during the pursuit.
