

Good Morning!

Welcome to SYL! As a reminder from our email on Friday regarding trash;

Trash and Refuse Removal:

“All trash is to be tagged and placed into the appropriate trash chutes and/or taken down to the main dumpster areas. At no time is trash permitted to be placed outside of unit doors, in hallways or other common areas. Bags belonging to units/residents not disposed of properly will be charge back to the resident/unit. Trash is not to be set alongside, in front of, or behind the Dumpsters at any point. Obstructing the disposal company from being able to empty the disposal containers is a finable offense. All items are to be bagged and placed into the proper containers. All other non-baggable items, such as boxes and other items are to be broken down and walked down to the large disposal containers and placed in them appropriately.”

At this time the trash chutes are clogged due to the large amount of move-ins that have occurred, maintenance is working on unclogging them so please make sure you are following the above guidelines while we work on clearing the chutes. Your cooperation in keeping the hallways clear and clean is much appreciated.

Thank you in advance,

SYL Management Team
