Violent Crime, 2017-2022

Statistics in this report are subject to change, based on the progression of the investigation. Cases CRPD determines to be UNFOUNDED are not included in the totals.

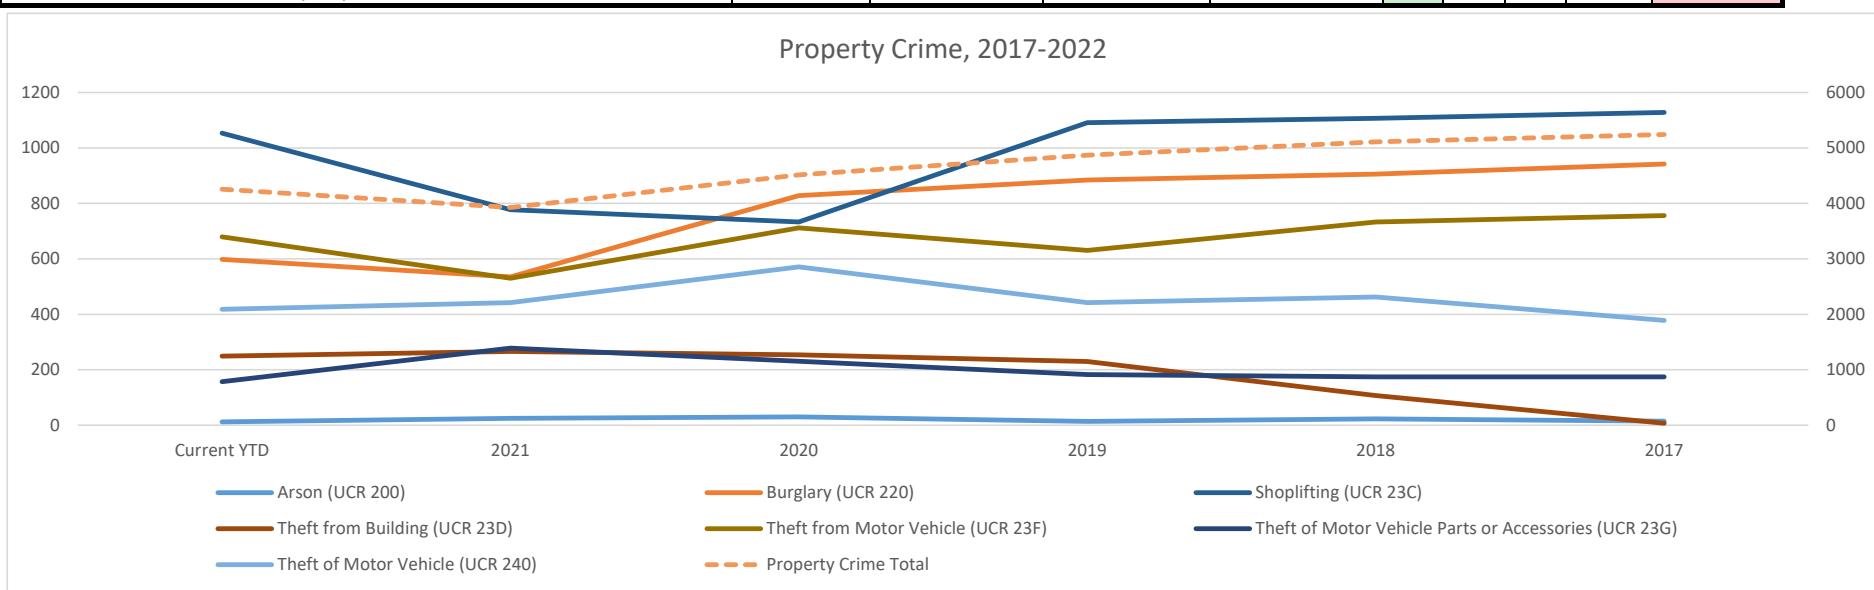

The number of incidents does not reflect the number of victims.

Not all offenses were tracked the same way during the entire historical period. Due to rounding, the incident numbers may not correlate subtotals with category totals in the average.

Dashed lines in the chart correspond to the numbers in the secondary axis on the right.
