

Hello Luke,

Thank you for reaching out regarding Coach Cook's departure from the Waterloo Warriors.

The Waterloo Youth Hockey Association Board of Directors has jointly decided not to participate in interviews concerning this matter. While we are choosing to part ways with Coach Cook, we recognize the time he has spent with the organization and the contributions he has made during his tenure.

Out of respect for all parties involved, we will not be offering further public comment at this time and appreciate your understanding in this regard.
