Re: Amara Andrews

To Whom it May Concern:

It has been falsely reported that Amara Andrews has failed to fulfill her obligations in a legal matter. The legal matter involved a legitimate dispute with a developer. The dispute was resolved by compromise. The parties agreed their settlement would be enforced by court ordered payments. All of these court ordered payments have been timely made on behalf of Ms. Andrews. For reasons unknown to Ms. Andrews, checks properly tendered for many months have not been cashed. It is, however, false to report that Ms. Andrews failed to comply with any court order.

On November 1, 2021, a hearing is scheduled in the case. The only issue before the Court is a routine motion by the developer to change its attorney. That motion has already been agreed to by Ms. Andrews' attorney. No other issues are pending before the court.

Sincerely,
