21.B. **Resolution 2026-21 - Request to use Impact Fee funds in an amount not to exceed $3,300.00 to upgrade the Variable Frequency Drive (VFD) on Air Handler Unit 2 at the Laconia Public Library**

The Laconia Public Library is requesting the use of impact fees in an amount not to exceed $3,300.00 to be used to upgrade the Variable Frequency Drive (VFD) on Air Handler Unit 2. The VFD controls the speed of the fan motor by adjusting the electrical frequency and voltage supplied to it. This prevents the fan from constantly running at 100% capacity.

Approval of this request will reduce the amount of impact fee funds available to the Library by up to $3,300.00, leaving a balance of $29,623.15 (as of September 30, 2026).

Councilor Nye made a motion to waive a reading of Resolution 2026-21 in its entirety and to read by title only. Seconded by Councilor Hildreth. **Discussion:** None.

The motion ***passed with all in favor.*** 6-0

Councilor Nye made a motion to move a first reading of Resolution 2026-21 – Request to use Impact Fee funds in an amount not to exceed $3,300.00 to upgrade the Variable Frequency Drive (VFD) on Air Handler Unit 2 at the Laconia Public Library. Seconded by Councilor Haynes. **Discussion:** None.

The motion ***passed with all in favor.*** 6-0

Councilor Conant made a motion to schedule a Public Hearing on November 23, 2026 during the regular City Council meeting to gather public input prior to any action being taken. Seconded by Councilor Nye. **Discussion:** Councilor Soucy wants to know why the quote is different from the staff report. Manager Beattie stated it was a contingency.

The motion ***passed with all in favor.*** 6-0

21.C. **Resolution 2026-22 - Request to authorize the City Manager to accept and expend a grant from the Patrick Leahy Bulletproof Vest Partnership (BVP), administered by the Bureau of Justice Assistance (BJA) in the amount of $4,508.00 for 50% reimbursement for the purchase of replacement bulletproof vests**

In October of 2026 the Laconia Police Department applied for funding through the Patrick Leahy Bulletproof Vest Partnership (BVP) Program, administered by the Bureau of Justice Assistance (BJA), in the amount of $4,508.00 for 50% reimbursement for the purchase replacement bullet proof vests.

Created by the Bulletproof Vest Partnership Grant Act of 1998, the Patrick Leahy Bulletproof Vest Partnership (BVP) Program, administered by the Bureau of Justice Assistance (BJA), reimburses states, units of local government, and federally recognized Indian tribes for up to 50% of the cost of body armor vests purchased for law enforcement officers.

DRAFT

These are vests that are in need of replacement as ballistic vests have a service life of 5 years and LPD is constantly replacing vests for our officers. This money assists the PD by reimbursing for up to 50% of the costs for those vests.

Councilor Soucy made a motion move to waive a reading of Resolution 2026-22 in its entirety and to read by title only. Seconded by Councilor Hildreth. **Discussion:** None.

The motion ***passed with all in favor.*** 6-0

Councilor Hildreth made a motion to approve Resolution 2026-22 related to a request to authorize the City Manager to accept and expend a grant from the Patrick Leahy Bulletproof Vest Partnership (BVP), administered by the Bureau of Justice Assistance (BJA) in the amount of $4,508.00 for 50% reimbursement for the purchase of replacement bulletproof vests, as presented. Seconded by Councilor Soucy. **Discussion:** None.

The motion ***passed with all in favor.*** 6-0

21.D. **Resolution 2026-23 - Request to extend Plantation and Colonial Roads' emergency lane designation and an exception to the City's Ordinance on continuing to collect solid waste at the curb**

On May 12, 2025 the City Council declared Plantation and Colonial Roads to be emergency lanes until October 31, 2025 or the date of the Belknap Superior Court's decision on case number 211-2024-CV-00054, Joy Sabato, et al v City of Laconia, whichever is first.

The City Attorney on September 2, 2025 requested that the City Council extend the Emergency Lane designation until April 30, 2026 or the date of the Belknap Superior Court's decision on case number 211-2024-CV-00054, Joy Sabato, et al v City of Laconia whichever is later. A subsequent request to extend the Emergency Lane designation until April 30, 2026, or the date of the Court's decision on the Joy Sabato et al v City of Laconia, whichever is later, was approved by the Council on September 22, 2025.

The court case has now been settled. In order for the City Council to extend the emergency lane designation, the Council must hold a public hearing and provide notice to abutting property owners no later than 10 days before the public hearing.

The City Council cannot declare a private road an emergency lane without the permission of the abutting landowners. Permission can be withdrawn at any time.

The City Council must "determine that there is a public need for keeping such a lane passable for emergency vehicles and that it is supported by a public interest and is not for the private benefit of the abutters on that road."

If declared an emergency lane, the City may expend funds to remove brush, repair culverts or do other work "deemed necessary to render such a way passable by firefighting equipment and rescue or other emergency vehicles."

Also on September 22, 2025 the City Council authorized the collection of solid waste at the curb for those properties that abut Plantation and Colonial Roads during the period of the emergency declaration.

City Ordinance 194-4-B prohibits the City's "solid waste collection contractor from entering a privately owned driveway, roadway or lane for the purpose of collection of garbage or residential household rubbish from privately owned property."

Declaring a road an emergency lane does not change its status. It is still a private road. Therefore,

DRAFT

the Council will have to again authorize an exception to the City Ordinance to collect solid waste at the curb.

Public Works recommends that the City Council declare Plantation and Colonial Roads emergency lanes with an expiration date of September 30, 2027.

Fiscal Impact: The cost to maintain these roads will be funded from the highway budget.

Collecting solid waste at the curb for the two private roads will not exceed the collection contracts "stop" limits and thus will not result in an increase in the cost of collection.

Recommendations: Public Works recommends that the City Council declare Plantation and Colonial Roads emergency lanes with an expiration date of September 30, 2027.

Public Works further recommends that the City Council approve the exception for collecting solid waste at the curb on Plantation and Colonial Roads.

Councilor Soucy made a motion that that the City Council schedule a public hearing on December 14, 2026 on declaring the Plantation and Colonial Roads as emergency lanes with an expiration date of September 30, 2027. Seconded by Councilor Hildreth. **Discussion:** None.

The motion ***passed with all in favor.*** 6-0

22. UNFINISHED BUSINESS

22.A. Request from the Laconia Parks and Recreation Commission to name Laconia Skate Park after Ben Emmond, and the Laconia Community Center Gym after Niel Young

In November of 2020, the City Council discussed two agenda items: one was to dedicate the Skate Park in remembrance of Ben Emmond, and one to rename the Laconia Community Center Gym in remembrance of Niel Young. These were tabled so a study group could be formed.

In May of 2023, Ordinance 2023-205-2 was passed. This ordinance lays out the process for naming property. One step is that it needs to go to the Land and Buildings Subcommittee first.

In November of 2024, the Land and Buildings Subcommittee (Councilors Haynes, Felch, and Bogert) recommended to the full City Council that the Laconia Community Center Gym be named for Niel Young and the Skate Park be named for Ben Emmond. This never went in front of the full Council for approval.

By our Ordinance, a Public Hearing is required prior to the full Council vote.

At the October 26, 2026 City Council meeting a motion was approved to schedule a Public Hearing on this matter; that Public Hearing was held earlier this evening.

Fiscal Impact: Cost of signs.

Councilor Hildreth made a motion to approve the request from the Laconia Parks & Recreation Commission to name Laconia Skate Park after Ben Emmond, as presented. Seconded by Councilor Conant. **Discussion:** None.

The motion ***passed with all in favor.*** 6-0

Councilor Soucy made a motion to approve the request from the Laconia Parks & Recreation

Commission to name the Laconia Community Center gym after Niel Young, as presented. Seconded by Councilor Hildreth. **Discussion:** Councilor Hildreth spoke with Niel's daughter, and she wanted to let the council know her and her brother were very happy this was happening in honor of her father.

The motion ***passed with all in favor.*** 6-0

22.B. **Ordinance 2026-194 - Proposed Changes to City Ordinance - Chapter 194; Solid Waste**

Councilor Conant made a motion to take this agenda item off the table. Seconded by Councilor Soucy. **Discussion:** None.

The motion ***passed with all in favor.*** 6-0

Councilor Hildreth made a motion to waive a reading of Ordinance 2026-194 in its entirety and to read by title only. Seconded by Councilor Hoffman. **Discussion:** None.

The motion ***passed with all in favor.*** 6-0

Councilor Hildreth made a motion to move a second reading of Ordinance 2026-194 relative to proposed changes to City Ordinance – Chapter 194, Solid Waste. Seconded by Councilor Conant. **Discussion:** None.

The motion ***passed with all in favor.*** 6-0

Councilor Soucy made a motion to approve Ordinance 2026-194 relative to proposed changes to City Ordinance – Chapter 194; Solid Waste, as presented. Seconded by Councilor Hoffman. **Discussion:** Manager Beattie explained some of the questions that came up at the last meeting, and how they have been addressed.

The motion ***passed with all in favor.*** 6-0

23. **FUTURE AGENDA ITEMS**

24. **Any other business that may come before the Council**

25. **NON-PUBLIC SESSION (According to RSA 91-A:3, II)**

LACONIA PROJECT UPDATES – NOVEMBER, 2026

LACONIA ROAD PROJECTS

Current: The paving projects have come to a close. Woodland Ave and River St have been completed. Many punch list items have been completed for the construction season.

DPW is working on the next fiscal year's road program.

Communication Plan: Letters will go to residents on those streets in the spring road program once the plan has been completed.

Previous: Due to the budget and being efficient with project funds, paving of Upper Tower and Warner has been postponed. This section of Tower and Warner both have an RSR of 41 and need a full reclaim.

Most recently and just before Weirs Blvd was closed for the Bridge Reconstruction, parts of White Oaks received a maintenance shim to better handle the increased traffic volumes due to the detour.

River St is receiving a reclaim, drainage improvement, curb reset and fresh sidewalk. River St and Jewett St will both be topped by the end of October. These streets were targeted because the Water Department had water main to replace and these roads are used as an emergency services corridor for the hospital etc. River had an RSR of 23 and Jewett 50.

Woodland Ave had a significant amount of water main replaced. In conjunction with the LWW, DPW will participate to pave most of Woodland Ave. There will be a small section of Woodland Ave between the water work and the Gilford town line that will not be paved until water works does their second phase of trench work on Woodland. While Woodland ave is being topped, Butler St and Lyman St will also be topped at the same time. Butler and Lyman have RSR's of 50-53 and if not maintained would need to be reclaimed.

CENTENARY AVENUE BRIDGE

Current: No change.

Communication Plan: The next meeting will occur in May at the earliest when summer residents have returned to the area. At this meeting Public Works and the consultant will present the results of the preliminary engineering.

Previous: DPW, HEB and NHDOT are awaiting 3rd party design review by Patriot Rail.

MILL STREET PEDESTRIAN BRIDGE
Current: No change.

Communication Plan: Public Works is managing this project using NHDOT's locally managed project process. The preliminary engineering phase is complete, Public Works will schedule another public information meeting to present the project's proposed alternatives.

Previous: DPW and HEB are exploring other options for addition funding. If no additional funds are secured by winter's end, scope will have to be cut from the project.

HILLIARD ROAD CULVERT CROSSING
Current: No change.

Communication Plan: Public Works is managing this project using NHDOT's locally managed project process. Therefore, the study phase will include a public information meeting to seek feedback on the project. Once the study phase is complete, Public Works will schedule another public information meeting to present the proposed alternatives of the project to the public.

Previous: DPW and HEB are awaiting the results of a survey for the endangered "small whorled pegonia".

WEIRS BLVD / US ROUTE 3 BRIDGE
Current: The bridge project is complete for this construction season. The bridge reopened on November 20th. While the sewer force main replacement was more costly due to the hammering of ledge, the rest of the project was within budget and on schedule.

There will be some additional work done in the spring well before Memorial Day; primarily the installation of guard rail.

Communication Plan: All temporary construction easements have been obtained.

Previous: The project has been moving forward quite well. With any project as complicated as this one, there have been several field changes that DPW, LWW and Weaver Brothers (the GC) have handled very well. The project is within budget and on schedule to reopen by Thanksgiving.

ELM STREET TRANSPORTATION ALTERNATIVE PROJECT
Current: No change.

Communication Plan: This project is currently scheduled for 2028 NHDOT funding.

Previous: DPW, HEB and NHDOT had a significant meeting last week going over the current scope, ROW and next steps to keep the project moving forward and on schedule.

OPECHEE LOOP
Current: There will be additional curb-work and minimal asphalt in spring of 2027.

Previous: The reflective/flexible bollards were recently placed over the bridge's expanded sidewalk/multi-use pathway. There will be additional curb-work and minimal asphalt in spring of 2027.

LACONIA DOWNTOWN TIF DISTRICT
Current: No new updates.

Previous: No new updates.

LACONIA LAKEPORT TIF DISTRICT
Current: No new updates.

Previous: No new updates.

WEIRS TIF DISTRICT
Current: No new updates.

Previous: The Planning Department is currently working with Marine Patrol to extend the No-Wake Zone at the Weirs Channel.

WINNIPESAUKEE RIVER BASIN PROJECT
Current: The Study Commission's report on transitioning the WRBP to a regional Authority was sent to Speaker of the House, the Senate President, the Governor and other State offices. A copy was sent to the Commission members. The draft legislation creating the authority was provided to Representative Bordes to submit a Legislative Service Request. The first meeting of the Joint Transition Planning Committee was held on November 16th. The Chair meets with NHDES on Nov 20th to begin the process to obtain the information necessary from NHDES to prepare for the Legislative Committee meetings which should begin in February of 2027. NHDES has recognized that the approved WRBP salary is too low attract a qualified candidate for the Executive Director position. NHDES is investigating an increase in the salary.

Previous: The WRBP Study Commission at its October 15th meeting agreed that their report should support the development of legislation establishing an independent regional wastewater Authority. The Study Commission will review the full report at its October 21st meeting. The WRBP's Attorney has drafted legislation to establish the Authority. The Commission had an opportunity to review the draft legislation before their October 15th meeting. The Advisory Board meets on October 22nd and will review the draft legislation, the Program's proposed budget for the State's next biennium budget and identify the members of the Advisory Board/Member Communities who will be on the transition planning committee. This committee should begin meeting in November to begin the process to identify the tasks and the timeline necessary to plan for the transition.

SEWER COLLECTION SYSTEM
Current: No change.

Communication Plan: DPW will be making direct contact with all property owners in the project area to coordinate connecting the houses to the City sewer system if their building is within 250 feet of a City sewer main and they are not eligible for a waiver.

Previous: The DPW's SSF has been conducting their annual cleaning and inspection program. For the most part this is routine work. The sewer on Shore Drive however has not been routine. There is a 15" sewer main that is between the lake and the lakefront properties. The SSF had discovered that this main had never been inspected. This was likely due to the complexity associated with accessing manholes in resident's backyards. The SSF was able to work independently with all of the property owners for access. It is worth noting that we do indeed have an easement for this but wanted to coordinate appropriately with residences.

WEIRS BEACH RESTORATION
Current: No new updates.

Area Impacted*:* Weirs Beach

Communication Plan*:* This project will be done in the off season to keep the impacts low. The local newspaper will be notified, as well as the newspapers in northern Massachusetts. This will help spread the word to those who use the area the most.

Previous: We received no bids for this project. We will need to reconvene to discuss the next steps.

LACONIA MASTER PLAN UPDATE
Current: No new updates.

Previous: The contractor is currently working on the updated Draft of the Master Plan with an expected rough draft delivered potentially in November.

LACONIA STATE SCHOOL UPDATE
Current: The City Manager will provide an update at the November 23, 2026 City Council meeting.

LACONIA CITY COUNCIL AGENDA
NOVEMBER 23, 2026

STAFF REPORT
AGENDA ITEM 21.A.
TEMPORARY TRAFFIC ORDER 2026-18, HOLIDAY PARADE AND LIGHTS FESTIVAL, REQUEST TO WAIVE CITY FEES, AND EXPANSION OF THE SOCIAL DISTRICT

Discussion: Celebrate Laconia, the organizer of the Holiday Parade and Lights Festival, is requesting the City Council's approval of the attached Temporary Traffic Order 2026-18.

Celebrate Laconia will work closely with the Laconia Police Department to ensure the safety of the participants and members of the public and will have volunteers on hand to assist.

The organizer of the event is requesting that Canal Street be closed to allow food trucks to be located there from 12:00 noon to 6:00 pm, with setup of the food trucks beginning at 7:00 am. A corn hole tournament will be held in the City Hall parking lot (the portion of the lot nearest the Belknap Mill), and there will be a S'mores and warming station in the parking lot closest to the Belknap Mill. Please see the attached information for a map and additional details.

The route of the Holiday Parade will remain the same as prior years, as shown in the attached Temporary Traffic Order and map.

The Council is also asked to consider waiving all City fees associated with this annual event. If the fee waiver request is not approved, the event fees would be $350.

Celebrate Laconia was asked to notify business owners who might be affected by the closure of the streets and parking spaces in connection with this event. Written acknowledgements from downtown businesses are attached.

In addition, Celebrate Laconia is requesting that the Social District be extended into Rotary Park and a portion of the City Hall parking lot for this event, as shown on the attached map. If approved by the City Council, expansion of the Social District will be sent to the State Liquor Commission for their final review.

A representative from Celebrate Laconia will be present to answer questions from the Council or provide additional information if needed.

Staff Recommendation:

This report submitted by: Kirk Beattie, City Manager

Proposed motion:
"I move to approve Temporary Traffic Order 2026-18 for the Holiday Parade and Lights Festival as presented, to approve the request to waive all City fees associated with the events, and to extend the Social District into Rotary Park and a portion of the City Hall parking lot for this event, as presented."

Temporary Traffic Order
2026-18
Holiday Parade and Lights Festival - November 28, 2026

According to the provisions of Chapter 221, Section 53 of the Laconia City Ordinances, the City Council hereby adopts the following Temporary Traffic Order in connection with the Holiday Parade and Lights Festival on November 28, 2026:

HOLIDAY PARADE

1. No vehicular parking shall be permitted on that portion of Main St. beginning at Church St. to Beacon Streets East and West. This portion of the order shall become effective at 2:00 pm and expire at 6:00 pm.

2. No vehicular traffic shall be permitted on that portion of Main and Court Streets beginning at the Beacon St. East and Beacon St. West intersection to Academy Street. This portion of the order shall become effective at 5:00 pm and expire at 6:00 pm.

3. No vehicular traffic shall be permitted on that portion of Union Ave beginning at Lyman St to Church St. This portion of the order shall become effective at 4:30 pm and expire at 6:00 pm.

4. No vehicular traffic shall be permitted on that portion of Church Street beginning at Union Ave. to Main St. This portion of the order shall become effective at 4:30 pm and expire at 6:00 pm.

5. The Laconia Police Department will provide personnel to assist in re-routing traffic between the hours of 4:00 pm and 6:00 pm for the parade.

6. No parking or vehicular traffic shall be permitted on Canal Street from 7:00 am to 7:00 pm to allow space for approximately 8-10 vendors/food trucks.

7. Please refer to the map of the parade attached.

KRIS KINDLE MART

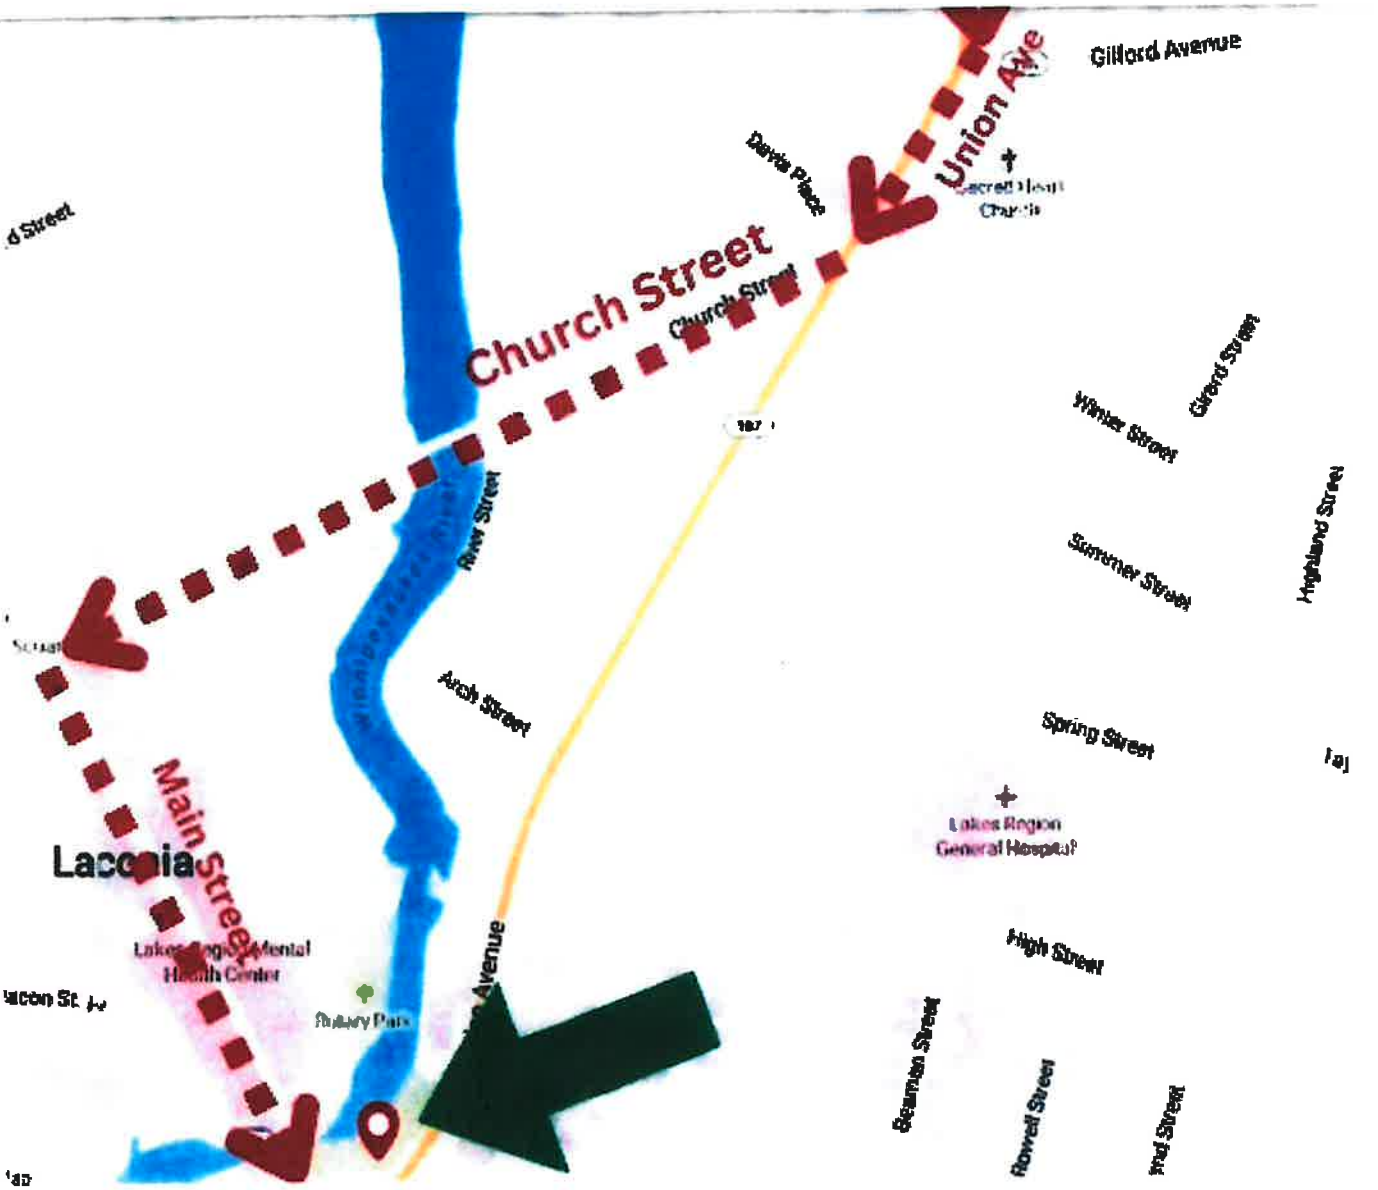

1. The area in the City Hall parking lot closest to the Belknap Mill will be blocked off to traffic from 7:00 am to 6:00 pm with the use of barricades. Parking spaces within the blocked off area will be used for S'mores and a warming station.
2. The area in the City Hall parking lot adjacent to City Hall as shown on the attached map will be blocked off to traffic from 7:00 am to 6:00 pm with the use of barricades. Parking spaces within the blocked off area will be used for a corn hole tournament.

Adopted by the Laconia City Council this __ day of November, 2026.

LACONIA CITY COUNCIL AGENDA
NOVEMBER 23, 2026

STAFF REPORT
AGENDA ITEM 21.B.
RESOLUTION 2026-24 - REQUEST TO AUTHORIZE ACCEPTANCE OF THE 2026 EDWARD BYRNE MEMORIAL JUSTICE ASSISTANCE GRANT (JAG) FROM THE BUREAU OF JUSTICE ASSISTANCE IN THE AMOUNT OF $10,843.00

Discussion: In October of 2026 the Laconia Police Department was notified that the Laconia Police Department and Belknap County **(as a disparate partner)** qualified for the 2026 Edward Byrne Memorial Justice Assistance Grant (JAG) from the Bureau of Justice Assistance in the amount of $10,843.00.

The Laconia Police Department has entered into an MOU with the Belknap County Sheriff's Department for dispersal of the funds from this grant. The Laconia Police Department will use these funds to purchase Automated External Defibrillators (AED's). Belknap County Sheriff's Department will use their portion of the funds to purchase equipment.

Disparate Allocation
In some instances, a unit of local government is required to collaborate on a single joint award with the county. This happens when BJA certifies that there is a "disparate allocation," meaning that one city qualifies for an amount that is one-and-a-half times more than the amount for the county with concurrent jurisdiction, or when the total amount for which cities in a single county qualify is four times more than the amount for the county. The unit of local government and county representatives must sign and submit a memorandum of understanding stating that they all agree on how the joint award, which is the sum of all of the individual awards, will be allocated and used.

Fiscal Impact: None - there is no local match requirement.

Staff Recommendation: Staff recommends acceptance of the 2026 Edward Byrne Memorial Justice Assistance Grant (JAG) from the Bureau of Justice Assistance in the amount of $10,843.00

This report submitted by: Captain Allan Graton, Laconia Police Department

Proposed motions:
"I move a reading of Resolution 2026-24 in its entirety and to read by title only."

"I move a first reading of Resolution 2026-24 – Request to authorize acceptance of the 2026 Edward Byrne Memorial Justice Assistance Grant (JAG) from the Bureau of Justice Assistance in the amount of $10,843.00."

"I move to schedule a Public Hearing on December 14, 2026 during the regular City Council meeting to gather public input prior to any action being taken."

RESOLUTION **RES-2026-24**

CITY OF LACONIA

In the Year of Our Lord two thousand and twenty-six

A RESOLUTION RELATIVE TO AUTHORIZING THE CITY MANAGER TO ACCEPT AND EXPEND AN EDWARD BYRNE MEMORIAL JUSTICE ASSISTANCE GRANT ON BEHALF OF THE CITY IN AN AMOUNT OF $10,843.00

Resolved by the City Council of the City of Laconia as follows:

WHEREAS, the Laconia City Charter, Section 5:06, requires the Council to designate the source of any money appropriated after the budget is adopted; and

WHEREAS, on occasion grants will be made available to the City for various projects or areas of interest that are beneficial to the City and its residents; and

WHEREAS, the City has been awarded an Edward Byrne Memorial Justice Assistance Grant (JAG) Program in an amount of $10,843.00 to fund the purchase of Automated External Defibrillators (AED's).

NOW THEREFORE, the City Manager is hereby authorized, on behalf of the City, to accept and expend grant funds in an amount of $10,843.00 under Edward Byrne Memorial Justice Assistance Grant (JAG) Program. The City Council further authorizes the establishment of a separate account(s) for a distinctly stated, public purpose that is not foreign to the City or incompatible with the objective of its organization. The City Manager shall be the designated agent of the Council to carry out the objectives set forth herein.

This Resolution shall take effect upon its passage.

AUTHORIZATION FOR BOAT DEALERS TO ACT AS AGENTS FOR THE CITY OF LACONIA

Discussion: The boat dealers listed below have been operating as agents for the City in the collection of boat fees. For the last several years, the State has required these dealers to show evidence of a surety bond in order to authorize them to collect fees for the City and State. The City can cover these dealers under our current bonding insurance, at no additional cost, provided they are authorized annually by the City Council to act as agents.

Fiscal Impact: In Fiscal Year 2026 the City received approximately $97,000.00 in boat registration fees collected between these dealers and the City Clerk's Office.

Staff Recommendation: I am asking the Council to authorize the following boat dealers to act as agents for the City:

Flightcraft General
North Water Marine
Watermark Marine
Paugus Bay Marine
Lakeport Landing
RM Irwin Marine Sales, LLC
Winnisquam Marine

This report submitted by: Katie Gargano, City Clerk

Proposed motions:
"I move to approve the renewal of the Boat Agent Agreement between the State of NH – DMV, the City of Laconia and boat dealers."

"I move to authorize the City Clerk to sign the Boat Agent Agreement on behalf of the City of Laconia."

Lake Village Foundation launches to honor Laconia's past, invest in its future

LACONIA NH — Building on over a decade of local investment Lakes Region native Scott Everett has launched the Lake Village Foundation a 501(c)(3) nonprofit created to bring residents businesses and civic leaders together behind community-driven projects in Laconia

The foundation focuses on local beautification recreational amenities historic preservation public space enhancements and arts and culture initiatives Operating independently from Everett's commercial real estate firm Paugus Properties the Lake Village Foundation will support community projects that enhance quality of life and advance worthwhile city improvements beyond the reach of traditional municipal budgets

"Private development can accomplish a lot but some of the elements that make a community truly special belong to everyone" said Everett "Our parks trails public spaces historic character and gathering places shape how people feel about where they live The Foundation is about uniting people around good ideas and securing the resources to make them a reality"

Honoring Local History

The Foundation's name pays homage to local history Over a century ago Lakeport was known as "Lake Village"—a bustling industrial and social hub between Lake Opechee and Lake Winnipesaukee

"We should always honor our heritage while keeping our eyes focused on where we're going" Everett noted "'Lake Village' pays tribute to that rich history while rallying the community to keep making Laconia shine"

Inaugural Initiative: The Lakeport Promenade & Connector

The Foundation's flagship initiative the Lakeport Promenade and Connector is already underway near the WOW Trail terminus at Elm Street and Union Avenue The $500 000 project will improve trail safety while transforming a site near Lake Opechee into an inviting public space complete with landscaping benches a bike repair station and scenic viewing areas

The project relies on a public-private partnership model combining private donations grants the WOW Trail organization and the City of Laconia

"This is precisely the type of project the Lake Village Foundation was built to enable" Everett said "Many transformative ideas across Laconia are too extensive for any single business nonprofit or city department to fund alone By bringing private philanthropy grants and municipal resources together we can accomplish projects that might otherwise never move forward"

Community & Civic Support

City leaders welcomed the Foundation as a catalyst for local progress

"The city is fortunate to have a Lakes Region native and entrepreneur like Scott Everett so deeply committed to giving back" said Mayor Mike Bordes "Scott has already invested tens of millions of dollars in our community through commercial development Beyond physical enhancements investments like these attract additional capital expand our tax base and strengthen local resources for citywide priorities"

"We are thrilled by the establishment of the Lake Village Foundation" added City Manager Kirk Beattie "Public-private partnerships deliver meaningful results when businesses residents and city leaders work collaboratively I encourage community members and local business owners across Laconia to explore the Foundation and get involved"

A Citywide Vision

While starting in Lakeport the Foundation's scope encompasses all of Laconia including Downtown and Weirs Beach Future priorities include public art park expansions and streetscape beautification guided by community feedback

Transparency and active public engagement will remain central to its operation with regular updates provided on funding project milestones and opportunities to submit ideas

Launch Gala Announced

The Foundation will officially launch at its Inaugural Lake Village Foundation Gala on December 18 at the Lakeport Opera House The black-tie-optional evening will feature cocktails catered dining and a live performance by world-renowned Brian Duprey and The Rat Pack Experience Proceeds from the annual benefit will directly fund Foundation initiatives across the city

"Our vision extends far beyond any single project" said Everett "Laconia possesses a rich history natural beauty and people who care deeply about its future By uniting those strengths we can ensure Laconia remains an extraordinary place to live work raise a family and visit"
