

A red Case IH 8010 combine harvester is shown from a front-three-quarter view, parked inside a well-lit garage. The machine features large, treaded tires, a prominent front grille, and a large hopper. The text 'AF 8010' and 'CASE' are visible on the side of the hopper. A fire extinguisher is mounted on the side of the machine. The background shows the interior of a garage with a concrete floor and a white ceiling.
