

**The Howard Soil Conservation District  
is seeking an Engineering  
Specialist/Conservation Planner to  
assist farmers and landowners with  
soil and water conservation planning.**

Position requires considerable knowledge of ag BMPs, conservation planning, and NRCS planning programs. Experience with Conservation Desktop, cost-share programs, and NRCS standards is preferred.

BS degree and two years of experience in soil conservation planning required. Work experience may be substituted for education requirement.

Submit cover letter and resume to Jackie Covington  
at [jcovington@howardcountymd.gov](mailto:jcovington@howardcountymd.gov),  
410-313-0680, by 1/30/26.
