

Join the Team – Now Hiring Full-Time, Year-Round Crop Assistant

Join LAMPIRE as a Crop Assistant, supporting day-to-day crop production (primarily hay and wheat) and general farm maintenance, including pen cleaning and manure handling (approximately 900 acres). Work with the Crop Manager to maintain farm operations, soil and crop health, harvesting, and high-quality standards.

The ideal candidate is self-motivated, dependable, and able to work independently or as part of a team. Candidates must have experience operating tractors, skid loaders, and large and small baling, tedding, and raking equipment. Most work consists of 8-hour days, with longer hours during hay season and some weekends.
