ENCLOSED SOCKET SEAL PROTECTS SOCKET FROM CORROSION

***Warranty valid from date listed on bulb**

The advertisement for the Lifelamp LED bulb features a large, glowing white LED bulb in the center. Above the bulb is the Lifelamp logo, which consists of a blue wave with a yellow lightbulb inside. To the right of the bulb, there is a yellow banner that says 'BroadBeam'. Below the bulb, there is a smaller image of the bulb's base, which is labeled 'ENCLOSED SOCKET SEAL PROTECTS SOCKET FROM CORROSION'. The background is dark blue with a subtle pattern of white dots.
