"WAFFLE SLAT"

"For the Highest Quality Pre-cast at a Reasonable Price" Contact us @ 717-355-2361

Get the Slatted Floor Advantage

NRCS APPROVED FOR EQUP

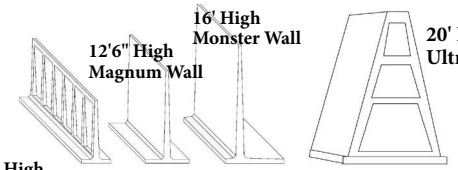

NRCS Approved Stream Crossing Slats
5" thick for animal crossing
8" thick for animal and equipment crossing

There is no labor or equipment involved with getting the manure into the pit which saves you thousands of dollars per year. Slats will pay for themselves over a few short years of use.

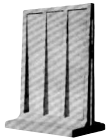

At Keystone Bigger is Better!
