## Construction Supervisor

### About us:

Farmer Boy is looking for an **Experienced Construction Supervisor** to join our growing team. In the business for over 40 years, Farmer Boy is an agricultural construction company that designs and builds wood-framed, turnkey projects for the animal housing market. We are looking for a dedicated individual that will oversee our construction projects. These tasks include site layout, managing crews, ordering materials, overseeing the efficient flow of the entire project. As a Construction Supervisor for Farmer Boy, you will be supplied with a truck that will be used for travelling from jobsite to jobsite and delivering materials that the crews need. Majority of the work will be outside on jobsites. Must be able to lift 60 pounds and work longer days on occasion. Construction experience is required.

### Benefits:

- 401(k) Matching
- Paid Holidays
- Paid Vacation
- Health Insurance
