

SHIPPENSBURG'S STREAK MAY END

SHIPPENSBURG, Nov. 5. — Unscored upon in five tests to date this season, Shippensburg State Teachers College football team will strive to continue its record Saturday in a tilt against the strong Millersville Teachers College eleven here.

The Lancaster County team boasts a record of .500 with two wins and as many losses on its books. Millersville usually plays a steady defensive game, having had no more than two touchdowns tallied against it in any of its games this season.

Marino Intrieri, head coach of the Millersville Marauders, is well-known to Shippensburg fans, having coached the Red Raider line during the 1935 season. Aware of the strength of Intrieri's teams, Shippensburg's turfmen are preparing for the invasion in earnest.
