

Information Sessions for the 2016 Medicare Annual Enrollment Period

Medicare Annual Enrollment is October 15, 2016 - December 7, 2016

Attend an Information Session for the Medicare Annual Enrollment Period and receive valuable information to assist you in making a well informed decision about your health & drug coverage.

Why is Medicare's Annual Enrollment Period important? What can a Medicare beneficiary do during that time? When is the Annual Enrollment Period for 2016? What do the terms deductible, co-pay, and total out-of-pocket expenses mean? And when is a "donut hole" not just a sweet treat? To find the answers to these questions and to get information that will be helpful during the 2016 Medicare Annual Enrollment Period, attend an information session in your area.

Medicare Advantage Plans and Part D Prescription Drug Plans are allowed to change the amounts of their plan deductibles, co-pays, and total out-of-pocket expenses, as well as their drug formularies each year, and that's why Medicare strongly recommends that beneficiaries compare their current plan against other plans available for 2016. What should you look for in a plan and what questions should you ask?

Attend an Information Session and get the answers to these questions and others. **These sessions are for people already on Medicare and enrolled in a Medicare Advantage plan or Prescription Drug plan. Space is limited and registration is necessary.** Register for a session by calling Lancaster County Office of Aging at (717)299-7979, 1-800-801-3070, or by emailing aging@co.lancaster.pa.us .
