## PARKHILL JEWELRY

**WINNER:** Groomsmen Gifts, Scrap Gold Buyer

**A FAVORITE:** Bridesmaid Gifts, Engagement & Wedding Rings, Fine Jewelry Store, Custom Jewelry Store, Estate Jewelry Store

For over 31 years, Parkhill Jewelry has helped generations of local families mark the important occasions in their lives, from engagements to the birth of a child to anniversaries.

That's why readers have voted them No. 1 for groomsmen gifts and scrap gold buying and a favorite for bridesmaid gifts, engagement and wedding rings, fine jewelry, custom jewelry and estate jewelry.

Owner Bernie Shiffler and his friendly sales team have a vast knowledge of both products and people and can guide you through the most difficult purchasing decisions, whether you are looking for the perfect ring to pop the question or a special Christmas or Valentine's Day gift.

Since its beginnings three decades ago, Parkhill Jewelry has grown from a small store to a multiple-brand jewelry retailer, with a selection that ranges from classic to cutting edge. Their Ephrata location is a treasure trove of brilliant diamonds and other gemstones, fine gold and silver jewelry, including rings, earrings, pendants, bracelets, and elegant watches. They offer custom-made styles and jewelry repair, too.

Perhaps Parkhill Jewelry's greatest treasures are the personal relationships with customers. Those customers are the inspiration for jewelry designs and for purchases at jewelry trade shows. The Parkhill staff often keeps customers in mind when they go on buying trips, and they hand select styles to suit customers' individual tastes.

Whether you're choosing wedding bands or you need earrings to match a favorite necklace, you'll get personalized attention. They'll also ensure your purchase stays beautiful for years to come with free regular cleanings. Plus, they'll check the prongs on your rings for free to make sure you never lose a gemstone. Parkhill Jewelry also offers free layaway for all items to make gifting easy.

To explore all that Parkhill Jewelry has to offer, stop in the store, **5 W. Main St., Ephrata**, during regular business hours: 10 a.m. to 5 p.m. Monday through Thursday, 10 a.m. to 6 p.m. Friday, and 10 a.m. to 3 p.m. Saturday. Or visit [parkhilljewelry.com](http://parkhilljewelry.com) and [facebook.com/ParkhillJewelry](https://facebook.com/ParkhillJewelry).

# #1

IN IMMIGRATION  
LAW

Wendy Chan

## CHAN & ASSOCIATES

**WINNER:** Law Firm for Family Law, Immigration Law

### For Fearless and Smart Legal Representation, Consult the Attorneys at Chan & Associates

Providing legal representation in family and immigration law is more than simply a job for Wendy Chan, Esq.

With immigration cases, she does not need to pretend to understand her clients' struggles, because she has lived through them herself.

"I am an immigrant who watched her immigrant parents work tirelessly in this country to give my brother and I a better life," she says. "I have watched my parents get taken advantage of by non-attorneys and attorneys alike while trying to get us green cards and then citizenship. I know firsthand how it feels to be scared of being caught

by immigration, to be discriminated against in school, government offices, stores, and even just walking down the street." Chan vowed to be the voice to help people like her parents navigate the immigration system.

Since 2009, the team at Chan & Associates has been a tireless advocate not only for immigrants, but also for children and families in general. They care deeply about their clients, and there is nothing they will not do within the law for clients who have the best interests of their families at heart. They are not afraid to challenge the status quo or the system if they believe the reasons and goals are legitimate.

"Many people have tried to bully us, intimidate us, spread lies about us and even lie in court," Chan says. "While it scares some attorneys, we respond by pushing back even harder. We are not here to make friends. We are here to do a job that we wholeheartedly believe in."

Chan & Associates has the ability and drive to always advocate for what is right. Their office is located at 39 N. Lime St., Lancaster.

## ATKINS DECK TREATMENT SERVICE

**WINNER:** Deck Treatment

**A FAVORITE:** Power Washing

### We Clean, Beautify and Protect Your Home and Property

For most people, their home is their biggest investment so it's important to keep it well-maintained and looking its best. Proper care of a home's exterior not only adds value but also saves money by maximizing the life of brick, concrete and wood surfaces.

For nearly three decades, Atkins Deck Treatment Service in Leola has been helping local families clean, beautify and protect their home and property. Family-owned and operated, Atkins Deck Treatment Service keeps homes looking their best with services that include solar panel cleaning, house power washing, exterior painting, roof cleaning, masonry waterproofing and paver patio maintenance. They can

restore brick; bring out the natural beauty of log and cedar homes; and keep composite, pressure-treated and hardwood decks looking their best. They'll even remove unsightly rust, mildew, moss and algae from paths and walkways.

Owners Rick and Erika Atkins employ a staff of 20, all of whom complete a formal training program and continuing education to meet the latest standards in the industry. They also use environmentally friendly products and procedures to ensure the safety of their crews and homeowners.

Atkins Deck Treatment Service has a retail store at 10 Trinity Drive, just

off Route 23, where DIY homeowners can purchase everything they need to complete their own deck staining or cleaning project. They even have several finished decks on display so customers can see the semi-transparent stains on real wood. Sample boards coated with assorted solid colors are available upon request.

For homeowners who want to leave the job to the professionals, Atkins Deck Treatment Service offers free consultations and estimates. Call 717-656-8928. Hours are 9 a.m. to 5 p.m. Monday through Friday. For more information, visit [atkinsdeck.com](http://atkinsdeck.com) or [facebook.com/AtkinsDeck](https://facebook.com/AtkinsDeck).

## GARDNER'S MATTRESS & MORE

**WINNER:** Favorite Mattress Store

Since 1990, Gardner's Mattress & More has been helping Lancaster County residents wake up happier and healthier, thanks to a good night's sleep, and for a record 12th straight year, readers have voted them Lancaster County's favorite mattress store. Owners Ben McClure and Jeff Giagnocavo, along with their hard-working team, are on a mission to help every customer who walks through their door sleep better and wake up happier. They do that by creating a unique mattress-shopping experience that is both rewarding and educational.

The process starts with free educational mattress-buying guides and continues with a showroom visit that includes a complimentary sleep assessment and no-pressure shopping environment. With a vast selection of adjustable bed bases, Gardner's experts can show you how adjusting your sleep position can help solve sleep issues like snoring, reflux and lower back pain.

Gardner's is also the only mattress store in the county with a Dream Room, a private testing room where you can reserve time to try before you buy to ensure you're choosing the best mattress for your unique sleep needs. They back every purchase with their no-hassle 120 Night Wake Up Happy Comfort Guarantee. They even follow up after delivery to make sure you're 100% satisfied. Gardner's has long extended their mission of health and happiness beyond the sleep experience and into the greater community with Gardner's Gives Back, an ongoing initiative to collect food items from participating customers to donate to area food banks.

In 2021, they took that mission one step further, launching the podcast Lancaster Connects. Hosted by McClure and Giagnocavo, the show highlights local heroes, charities and businesses that are giving back. The goal is to support the community and help its residents thrive, be more productive, and live happily and generously.

## CHOICE HOME REMODELING

**WINNER:** Kitchen/Bath Remodeling, Window Dealer/Installer

**A FAVORITE:** Doors, Exterior Remodeler

Choice Windows, Doors & More began 25 years ago, mainly as a window and door company with two trucks and two employees. But over the past quarter century, the “More” has grown to include everything from a cabinet division offering kitchen and bath design to whole-home remodeling services.

In 2021, the company changed its name to Choice Home Remodeling to reflect that growth into a full-service remodeling firm. One thing that hasn’t changed is the unwavering commitment to customer service and quality workmanship, from your first visit to their showroom to their careful cleanup when the project is complete. Those qualities have made the company a favorite among LNP|LancasterOnline readers for several years in a row.

As a design/build firm, Choice Home Remodeling can help you transform your home’s interior with a newly designed kitchen or bath, a sunroom addition, a master suite renovation and more. Their helpful office and sales staff, designers and installers will walk you through every phase of the project, from initial contact to floor plan layouts to the selection of finishes and materials.

Choice Home Remodeling can transform the exterior of your home, too. They are still the place to go for windows, entry doors, storm doors and patio doors, along with siding, roofing, porches, decks, patios and skylights. They only use quality materials that are attractive, durable, user friendly and energy efficient.

Thousands of customers in Lancaster, Berks, Chester and surrounding

counties rely on Choice Home Remodeling to deliver quality work with competitive pricing. If you’re ready for a remodeling project big or small, visit their renovated showroom at 550 E. Main St., New Holland, and take the first step toward a home transformation.

Hours are 9 a.m. to 5 p.m. Monday through Friday, 9 a.m. to 1 p.m. Saturday and evenings by appointment. For more information, visit [choicehomeremodeling.com](http://choicehomeremodeling.com) or [facebook.com/ChoiceHomeRemodeling](https://www.facebook.com/ChoiceHomeRemodeling).

## GR MITCHELL

**WINNER:** Cabinetry, Hardware Store

**A FAVORITE:** Grills, Smokers & Accessories,  
Building Supplies/Materials, Place to Buy Paint

## Lancaster's Go-to For Home Hardware & Building Materials

After 50+ years supporting builders, remodelers, and homeowners GR Mitchell shows no signs of slowing. And in an industry ripe with big box and chain competitors, GR Mitchell has held on to its small-town values and service, while growing their business.

With their True Value insignia highly visible from a major route just south of Lancaster city, GR Mitchell is best-known by their neighbors as a retail hardware store. With over 11,000<sup>2</sup> ft of home and hardware products, their efforts to offer handymen, DIYers, gardeners and even grilling enthusiasts with the supplies they need to get the job done are paying off. And if +50k stocked items aren't enough, in-store pick-up of TrueValue.com purchases expands their aisles beyond what you'll see in Willow Street.

But when you talk about GR Mitchell, building materials should come to mind. With their roots firmly in the lumber and millwork industries, GR Mitchell's supply business drives their day-to-day operations. Their staff services projects of any size: from new home builders needing full truckloads of material to novice DIYers looking for advice. And a showroom designed to cater to both pros and homeowners provides an easy and inviting way to browse through trim, door, window, cabinetry, and countertop options.

Stop by their Willow Street campus, visit them online @ [GRMitchell.com](https://www.GRMitchell.com), or call 717-464-2999 for help starting your next repair or remodel project.

## GEORGE J. GROVE & SON, INC

**WINNER:** Doors

**A FAVORITE:** Roofing, Awnings, Siding, Spouting, Window Dealer/Installer, and Exterior Remodeler

### Quality Home Improvements For More Than 58 Years

In 1954, the late George Grove Sr. started what was later to become George J. Grove & Son Inc. He was one of the county's leading installers, offering customers a complete line of home improvement services. The Manheim Pike business started out in George Sr.'s home with one pick-up and George Sr. as the sole proprietor and only employee.

George J. Grove Jr. entered the business at a very early age, assisting his father and grandfather, Cleon Grove Sr., with installations. The business moved from George Sr.'s home to a shop on Cabbage Hill. In 1973, the business incorporated, and then moved to their current location at 1219 Manheim Pike.

In keeping with family tradition, George

J. Grove III also entered the business at a very early age, bringing with him the same passion and attitude his grandfather had when he started. The Groves have built their business on a firm belief in a quality product and installation, professionalism, integrity and fairness in their relationships with their customers.

As president and vice president respectively, George J. Grove Jr. and George J. Grove III currently employ a team of 18. ## ENCORE DANCE CENTER

**WINNER:** Best Dance Studio

### It's More Than Just Dance, It's Family

At Encore Dance Center, our motto is "It's More Than Just Dance, It's Family," and after another dance season filled with difficult decisions, uncertainties, and challenges - we were reminded of that once again!

Going into our 36th season, we were hopeful that many of the changes we had to make were temporary. But, as we would find out, they were not. While applying and following the CDC guidelines in-studio, we worked to try and keep our dancers and families feeling safe throughout the entire dance year.

Our biggest obstacle was that we discovered we would have to change the venue that our

production was supposed to premiere in. It was heartbreaking that we couldn't return to our "home" that we've performed at for the past 25 years. But with the help of many amazing people, we were able to run two separate shows at the same time throughout the same weekend.

Our show for our younger dancers, Let's Dance, premiered on a stage that was set up in front of our studio. Family and friends gathered to watch their dancers perform their dances live or through the free live stream we offered to those who couldn't be there in person.

For our older dancers, we filmed both I Want My MTV

and Cinderella: the Ballet at the Fulton Theatre in Lancaster. The Fulton Theatre was incredible and willing to help us in any way, shape, or form. Our shows were filmed by Penguin Productions for our families to experience in the comfort of their home, due to the limited seating available at the time. It was absolutely worth it to be able to watch our dancers, especially our twelve seniors, come alive on stage!

This year is one we will cherish forever, and we are so grateful to have been able to create positive memories with our dance family!

## MASONIC VILLAGE

**WINNER:** Home Care, Home Health

**A FAVORITE:** Hospice Care

### There for You at Home

Masonic Village at Elizabethtown has been a trusted not-for-profit senior service provider for more than 100 years. Beyond our beautiful campus, we serve those in the local community with home care (10-miles radius), home health (30-mile radius) and hospice services (Lancaster, Dauphin, Lebanon and Eastern York counties). There is not a need to have a Masonic affiliation to request these home and community-based services.

“Across all our services, staff provide reliable, high quality care,” Lisa Livingston, administrator of home care,

home health and hospice, said. “We develop personalized care plans for all our clients and patients based on their unique needs. With our various services, we’re able to accommodate people at different stages in their lives with the reassurance of consistent care.”

“She is a friend and a ‘visiting angel’ to me,” Lenore Drescher said of her caregiver, Mary Morton, from Masonic Village Home Care. “I look forward to her visit, so we can talk and be together. If I’m not having a good day, she cheers me up. If I’m having a great

day, she makes it better! She continually enhances my life.”

## ARGIRES MAROTTI NEUROSURGICAL ASSOCIATES

**WINNER:** Neurologist, Neurosurgeon

### Congratulations to Dr. Jarod John on being voted Favorite Neurologist!

I have always had the mindset that I wanted to help others. As a youth, I was influenced by several skilled physicians and also my mother who worked as a nurse. I believe this led me to study medicine.

My decision to pursue neurology was triggered by an unfortunate event in my life, my grandfather's stroke. I dedicated myself to learn about the human brain and was struck by how complicated it was but I never back down from a challenge.

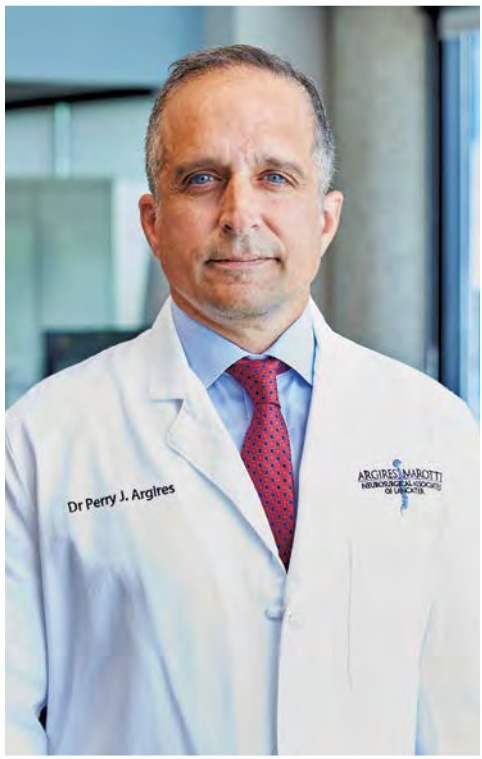

I have a deep understanding of the feeling of helplessness a patient and family can experience when dealing with a neurological disorder. My goal is to help my patients and their loved ones navigate through this confusing and scary time to come up with a successful plan to improve their lives.

Fortunately, I have been well trained which has allowed me to be able to offer a variety of services to my patients ranging from medical management to procedures such as Botox, EEG, and EMG. I also am

fortunate to work with our diverse group of dedicated physicians and staff that can offer neurological, neurosurgical, and pain management care all under one roof.

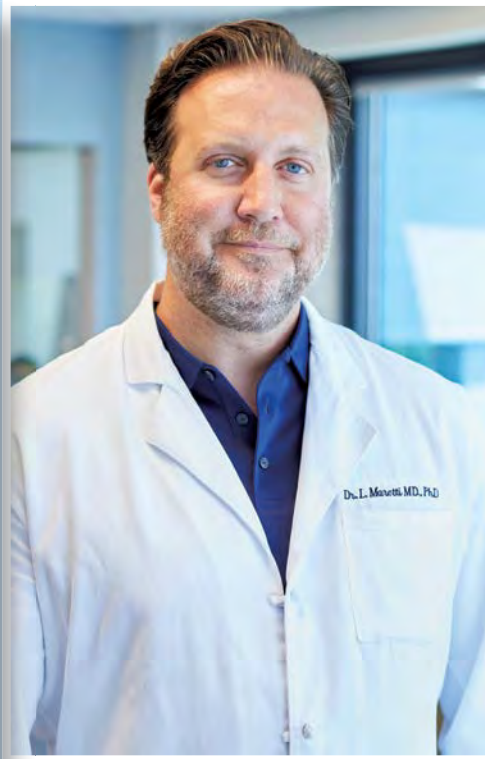

To reach Dr. John, or for more information on Argires Marotti Neurological Associates of Lancaster, visit their website at **[www.argiresmarotti.com](http://www.argiresmarotti.com)** or call (717) 358-0800.

## GOCHENAUER KENNELS

**WINNER:** Pet Grooming Salon, Dog Day Care Center

**A FAVORITE:** Kennel

### Your pet's home away from home is at Gochenauer Kennels

Gochenauer Kennels has been voted a favorite by the readers of LNP for 20 years in a row.

The recognition is a testament to their five decades of providing the highest quality care for pets.

Gochenauer Kennels, established in 1971, is a family owned and operated pet care facility built on a strong work ethic and a commitment to providing the highest quality care for pets - Caring for your pets the same way they'd want their own pets to be treated.

The Gochenauer family and their employees provide doggie day care, long- and short-term boarding of cats and dogs, and dog grooming services. They recently added off-leash play, exercise and play packages.

From the beginning, the Gochenauers offered boarding, grooming and pet supplies.

Day care was added about 11 years ago, but the business is largely the same as it was 50 years ago.

Boarding facilities offer individual kennel runs with climate-controlled living quarters. Meals, snacks and a veterinarian-approved exercise plan are included.

Gochenauer's selection of retail pet supplies includes Lupine collars and leashes, Kong toys, TropiClean shampoo, Taste of the Wild and Natural Way dog food, Red Barn Natural Bones, Nylabone bones and Slumber pet beds.

Hours are 8 a.m. to 6 p.m. Monday through Friday, 8 a.m. to noon Saturday, and 4 to 6 p.m. Sunday.

The Gochenauers and their staff are honored to be recognized by LNP's readers, but it's the honor of caring for their customers' pets that means even more.

Visit [www.gochenauerkennels.com](http://www.gochenauerkennels.com) or call 717-569-6151.

**BOARD WITH CONFIDENCE - PETS WILL ENJOY A CLEAN CLIMATE-CONTROLLED ENCLOSURE, A DIET OF PREMIUM QUALITY FOOD, AND PLENTY OF EXERCISE AND PLAYTIME AT GOCHENAUER KENNELS.**

## PLAYFUL PUPS RETREAT

**WINNER:** Dog Training & Kennel

**A FAVORITE:** Dog Day Care

### Elizabethtown's premier pet resort

Dogs are more than just our best friends; they're part of the family. But for those times when they can't be with family, there's Playful Pups Retreat.

Founded in 2010 by owner Laurie Yost, Playful Pups Retreat is a premier pet resort, now with two Elizabethtown locations that offer a host of services, from training and socialization to daycare and overnight accommodations.

Whether you're away for the day, on an extended vacation, or simply in need of obedience training and grooming services, the staff at Playful Pups Retreat provides a healthy, fun and nurturing environment for your dog.

The original Milton Grove Road location is a canine utopia on 19 beautiful acres. It offers upscale, climate-controlled overnight lodging with a variety of accommodations, including Petite Pooch Rooms, Junior Suites, Standard Suites and Luxury Suites that can easily host multi-dog families. Guest rooms are entirely indoors, which means dogs get plenty of love and attention during potty trips and activity sessions, instead of spending time alone. A variety of fun activity packages are also available to provide additional mental and physical stimulation. The Milton Grove Road location also offers bathing services and poochie pedicures.

In May, Playful Pups Retreat opened its newest

location, on Hershey Road, where it offers traditional doggie daycare, canine enrichment club daycare and puppy social skills daycare, along with bathing services, dayboarding and a variety of training classes.

Playful Pups Retreat employs a staff of 38 highly trained adults who are dedicated to the care of dogs and treat every dog like their own.

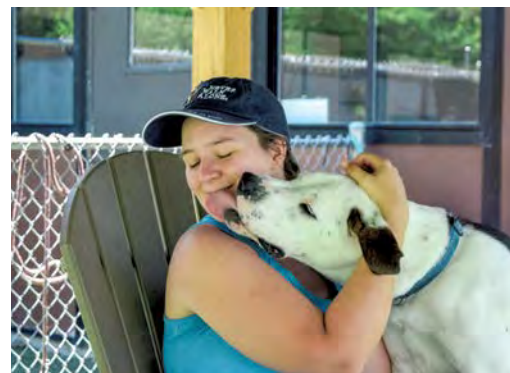

In addition to its services, Playful Pups Retreat also carries a variety of high-quality, brand-name pet products made in the USA, including collars and leashes, treats, toys, bones, holistic flea and tick treatments, CBD oil and more.

Hours at the Milton Grove Road location are 7 a.m. to 7 p.m. Monday through Friday, 8 a.m. to 5 p.m. Saturday and noon to 5 p.m. Sunday.

The Hershey Road location is open 6:30 a.m. to 7 p.m. Monday through Friday, with special events Saturday and Sunday.

Owners lodging their dogs for an overnight stay of four nights or more can take advantage of the current promotion: Buy three activity packages and get one free.
